Principal's News

Term 2, Week 6 2026

Congratulations to our open boys touch football team who competed in the Macarthur Zone touch football gala day last Monday. The boys did extremely well making it to the Grand Final, coming away winners after a hard fought final. They now move onto the Sydney South West tournament later on in the term. Good luck boys.

We have had a few enquiries about the catch-up photo day being moved. Please note the catchup photo day will now be held on Thursday 4th June.

For parents of Years 8, 9 and 10, please be reminded that this coming Tuesday is the parent teacher interviews starting at 3:00pm and finishing at 6:30pm. You will be able to book your interviews in through your parent portal. Please contact the front office for further information.

I would like to take this opportunity to remind parents that students are expected to be demonstrating positive and respectful behaviour to and from school whilst in our school uniform. This includes travel on the bus. Unfortunately Picton Bus Lines have had to issue a few suspensions of service recently due to poor behaviour on the buses. Thanks for your support in this matter and reminding your children of the expected behaviour on the way to and from school.

Our termly P&C meeting will be held in a couple of weeks' time. Please find a message from our P&C president Mr Scott Hogan.

A quick note from our school P&C. We're a small and welcoming group of parents and carers who work together with the school to support our students in practical ways. We'd really love to see a few more people involved – whether that's coming along to a meeting, helping out occasionally with events, or considering a role on the committee. At the moment we're particularly looking for someone to take on the Secretary role, and would be very happy to talk through what that involves.

To help guide what we focus on this year, and to make meetings more accessible for more people (we only meet once a term), we've

put together a short survey and would really appreciate your feedback. You can access it via the link below – it only takes a few minutes to complete. If you'd like to find out more of have any questions, feel free to get in touch at pictonhighschoolpandc@gmail.com

Yours Sincerely

Scott Hogan
