Principal's News

Term 2, Week 7 2026

It was great to see a good turn out to the Yr 8, 9 and 10 parent teacher interviews on Tuesday afternoon/evening. Thanks to all of those who could attend. The feedback we have received on this years structure in having the two afternoons has been positive. The members of the P&C suggested this structure last year and have supported this to continue into 2027 after receiving positive feedback also. Please be reminded our next P&C meeting is this coming Tuesday 6:30pm onsite at Picton High. I look forward to seeing those who can attend at the meeting.

To support parents in supporting their children with assessment tasks, please be reminded that each Year groups assessment task booklets are located on our school website. This will help you support your children as they move throughout the year navigating multiple assessment tasks in their various subjects.

I would like to take this opportunity to remind parents that students are not allowed to be using their mobile phone during school hours. The expectation is that phones are away from 9:00am to 3:10 pm. If students are caught using their phones they will be asked to hand them in to student central for collection at the end of the day. Students are allowed access to their phones before the morning bell and after the end of day bell however they have been reminded that filming on school grounds is prohibited at all times including pre/post school day.

Please be reminded that school photo catch up day will be held this Thursday. Please advise your children to listen out for the announcements during roll call as to when they need to attend the hall.

Unfortunately, a number of students have received restrictions to service from Picton Buslines for demonstrating poor behaviour travelling to and from school. We will be reminding all students at tomorrows assembly about the expected behaviour when traveling to and from school.

What's happening in the weeks ahead:

Please find an outline of events in the coming weeks.

Monday 1st June

Year 7 Vaccinations

Tuesday 2nd June
