Principal's News

Week 7 update

I would like to provide a staffing update in what has been a bittersweet week for us at Picton High School. I would like to congratulate Mr Matthew Tesoriero who was successful in gaining a substantive Deputy Principal position at Wilton High School through the merit selection process. This is an exciting opportunity for him to lead a brand-new school in our local community. Mr Tesoriero has been supporting students at Picton High School for nearly 20 years and will be missed by many. Although he does not start until next term, he will start transitioning over the course of the next 4 weeks to assist with the new school build and recruitment processes. Due to this we have run an EOI to fill his position. I would like congratulate Mr James McManus who was successful in this process. Mr McManus will be the Deputy Principal for Years 9 and 12 for the remainder of the year.

Thank you to our Year 10 parents who could make the Year 11 2027 Subject Selection evening last Tuesday. It was great to see so many of you attend considering the terrible weather. If you have any questions regarding this process, please contact the front office tomorrow and request to speak to Mr Jones or Ms Packer who will be able to assist.

Last week we celebrated Book Week for 2026. I would like to thank all students for getting involved in the number of initiatives that were organised over the course of the week. Thanks to our Literacy and Numeracy team for organising a fun week for our students.
