Principal's News

Week 9 update

Thanks to all our fathers and father figures who could attend our annual father's day afternoon tea. It was a nice afternoon to be able to connect with a few of you and hopefully you enjoyed the trivia that was organised for the afternoon. A big thank you to our wellbeing team for organising the event once again and to all our student and Dad's for coming along.

We celebrated RUok Day last Thursday with a couple of activities led by our students. This is such a great event raising awareness to such an important cause. Ask Are you ok any day because a conversation could change a life.

Our Year 12 students were involved in a post school life expo last week. There were a number of services that attended with the aim to support our Year 12 students as they start to transition into life after school. It is a sad time of the year as we start to wind down with Year 12 students with Year 12 formal, Graduation and HSC examinations on the horizon.

Year 11 Yearly examinations continue into this week. Good luck to all of our Year 11 students as they move towards the start of their HSC course which begins next term.
