PRINCIPAL'S REPORT

WELCOME BACK TO TERM 3

I hope all our students had a relaxing and well earned break and are ready for another busy term. The highlight of this term will no doubt be our action packed week of celebration for our 20th Anniversary in Week 9.

PLANNING FOR 2014

The executive has already started the planning process for 2014 building on our current successes and further improving programs and initiatives to support the learning of all our students. The following paragraph is the description of the school in our planning documentation:

The school is designed to meet the educational and welfare needs of students in a Stage 4/5 environment, encouraging all students to be lifelong learners and become active citizens of the world. The school aims to provide a diverse and comprehensive curriculum responsive to the needs and aspirations of students with a focus on teaching and learning and teacher quality. The school is committed to embedding literacy, numeracy and technology into all aspects of our professional practice. A focus on sport, and physical activity together with creative and performing arts provides a broad extra – curricular program for all students. Student leadership and gifted and talented initiatives remains a priority. Links to partner primary schools and also Wyndham College allows for the seamless transition of students into and out of Quakers Hill High School.

Our Vision: *Students leaving Quakers Hill HS will be critically literate, technically adept problem solvers who know that lifelong learning is the key to personal fulfillment. They will possess a strong social conscience, be ethical and enshrine respectful tolerance and acceptance as the basis of all their interpersonal interactions. They will deeply understand that participation is the keystone of democracy and actively work towards ensuring that our democratic principles are nurtured for the benefit of all Australian and international citizens. They will achieve this through being supported by high challenge, high support curriculums delivered by skillful professionals who will continually embellish their repertoires through extensive and on-going Professional Learning grounded*

in contemporary approaches such as ICT integration, pedagogy, vocational learning and PBL perspectives. Underpinning all this will be parental involvement where the community is welcomed, informed and in genuine partnership with the school.

Our three priority areas in 2014 will be:

Our Students

All students consistently achieve higher levels of literacy and numeracy outcomes and are engaged and challenged by a 21st. century learning environment and achieve personal, academic and/or vocational success.

Our Staff

All students are engaged in curriculum delivered by quality teachers who model the value of lifelong learning and are leaders in the 21st century classroom.

Our Community

The school uses effective administrative processes and systems to support student learning and facilitate community involvement and commitment to the school.

Have a great week

Writing essays made easier

Rather than worrying about an essay for weeks, suggest your child get in some early preparation and have the self-belief that they can do it. Find out more: <http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/10-tips-for-writing-an-essay>

Sorting fact from fiction

You can't always trust what you read when researching information for homework, assignments or projects. Here are ways your child can tell a good website – or any document – from a bad one. Find out more: <http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/sorting-fact-from-fiction>

Emphasizing strengths and interests

In Year 10 students are asked to select subjects for Years 11 and 12. Find out who to talk to and other tips to help your teen choose well. Find out more: <http://www.schoolatoz.nsw.edu.au/homework-and-study/planning-for-the-future/year-10-subject-selection>

Vocational education at school

Many kids now use Year 11 and 12 to get a head start on a traineeship, an apprenticeship or other valuable industry experience. Find out more about vocational education options at school. DEPUTY PRINCIPAL'S REPORT REPORTS

Parents/caregivers should have received their child's Semester 1 report. Hopefully this would be an opportunity for students to evaluate their progress and areas in which they need to improve in. Questions you could ask your child:

What do you want your report to look like at the end of the year?

What are the things you are going to do in your learning to get there?

SUBJECT SELECTION EVENING

Wednesday 24 July was the Year 8 Subject selection Evening. It was great to see the number of parents/caregivers in attendance and considering the curriculum opportunities we offer at this school. I would like to thank Mr Anthony Head for his organisation of the evening.

BEING AN ACTIVE LEARNER

We quite often wonder what an active learner (this includes anyone) does. Here are some qualities of such a learner

- Accept being challenged
- Prepared for lessons
- Take responsibility for their learning
- Set and strive to achieve goals
- Consistently work to the best of their ability
- Look for further learning
- Seek help when needed
- Apply knowledge and skills across all subjects
- Use all available resources
- Produce original work

Learning does not stop at any age. It continues and builds on what you already know. We all need to be open to learning opportunities that are provided at this school

2013 COSTUME WORKING BEE

For
Rinse the Blood off My Toga &
The Elephant Man

When: Saturday the 17th of August 2013

At What Time: 10:00 am – 3:00 pm

Where: The QHHS Library

What does this involve exactly?

We required help and assistance in many forms.

Specifically, we need:

- Individuals in possession of an iron and an ironing-board to help press costumes
- Individuals that can make repairs to existing costumes (both with a needle & thread and/or a sewing machine)
- Individuals that can cut fabric pieces from a pattern
- Individuals that can use a sewing machine to help create costumes
- Individuals that can bring their own sewing machine along to supplement those available to school staff
- Student labourers to create and/or finalise hand props.

Whilst the working bee will run for 5 hours, if you can available yourself for a portion of that time, we would grateful for your contribution.

Please convey your availability or willingness to support this event to Melissa Lachevre by email (melissa.lachevre@det.nsw.edu.au.).

Let's Get This Party Started!!!

20 YEARS AND GOING STRONG

This is an auspicious year for Quakers Hill High School and to celebrate this twenty year milestone we will be conducting a week-long celebration filled with drama, dance, music, art and mind bending trivia. All members of the school and local community are invited along for the entertaining ride, as we celebrate and commemorate all that is great at this fine educational institution.

Audiences may immerse themselves in the heart wrenching tale of John Merrick, a carnival spectacle and medical oddity, the proclaimed '**Elephant Man**', as he struggles to assert his humanity and live with dignity in a vicious and calculating world. From the depths of the London underbelly to murder in the colosseum, the second dramatic piece presented, **Rinse The Blood Off My Toga** is a comedic parody of Julius Caesar with more ham than a piggy and an ocean of laughs to boot.

On Wednesday the celebrations explode across the campus, as we amalgamate our anniversary celebrations with our annual Fundday. During this day our students partake in a smorgasbord of organised activities that appeal to their interests and sense of fun, and we raise money to enhance the whole school community.

On Thursday night fertile minds assemble in the hall for the ultimate trivia challenge, it will be table against table in the battle for total supremacy.

On Friday night we put the rivalries aside to enjoy our first inaugural 'Great Debate' and an exhilarating cabaret featuring unrivalled dancers, musicians and actors and the artistry of our students.

So When Can You Order Your Tickets? Day one of Term Three. So prepare your selection now.

Priority is given to parents living in the Blacktown/Mount Druitt area

What parents have said...

A step dad recalled an incident at the weekend with his 12 year old step daughter. He said that the input he had received the previous week from the course helped him keep his cool and brought a more favourable outcome.

A single Mum who had presented as quite anxious on the first night told the group in week 2 that she had made an appointment with her 15 year old son during the week and had had a far more favourable discussion with him than would previously have been the case.

Who's running it?

Sarah and Andre will be facilitating the group. They have completed the relevant Engaging Adolescents training

Jade Fan Project

B Aware, B Tested, B Immunised

The Jade Fan Project is a hepatitis B awareness campaign being run across parts of Western Sydney. Some community groups are at risk of having the hepatitis B virus and not knowing it, so the Jade Fan project aims to spread the word and encourage people to discuss hepatitis B testing, immunisation and treatment with their GP.

Many people living with the virus either contracted it at birth or during childhood in their home country; most will not even know that they have it. For a lot of people hepatitis B infection will stay silent for many years without any symptoms, so **everyone** in high risk populations should be tested for the virus. Without treatment, the hepatitis B virus will lead to advanced liver disease or liver cancer in 15-25% cases.

Immunisation is part of the routine childhood immunisation schedule; however it is important to ensure that your child has completed the full course of vaccinations and that you and the other members of your household are also covered.

So the message is very simple;

- B Aware** that the virus can cause serious liver damage
- B Tested** especially if you come from a country with high hepatitis B rates (China, Vietnam, Korea)
- B Immunised** if you test negative – ensure your children have been immunised as part of their childhood immunisation program.
- B Treated** if your test is positive for the virus, talk with your GP about treatment choices.

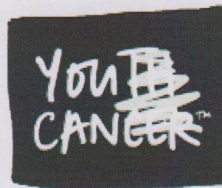

For more information about hepatitis B, talk with your GP

(in Australia, all conversations with your doctor remain private)

or call the Hepatitis Hotline on 1800 803 990
