PRINCIPAL'S REPORT

SWIM SCHOOL

This term two of the key events on the school calendar are: Year 7 & 8 Swim School held at Blacktown Swimming Centre. These events are not only important in developing and improving our students' water safety skills but also great opportunities for our students to enhance their social skills and build new friendships and relationships with other students in their year group.

The week's activities are lots of fun and I encourage parents to ensure their children attend the program. Payments for Swim School need to be made next week.

SERVICE TO THE SCHOOL ASSEMBLY & SPORTS ASSEMBLY

Thursday 12th November marks the first of our formal celebrations of student achievement for 2015. The **Service to the School Assembly** is where we recognise the many students who undertake important roles in the school that assist and support the numerous programs on offer at QHHS. Our **Service to the School Assembly** will be held during Periods 3 & 4. All students who will be acknowledged at this assembly, their parents will be invited to attend, to share in the recognition of their child's achievement. This year will also see us stage our first **Sports Assembly**. This assembly will be during Periods 5 & 6 on the 12th November. This assembly will give the school

Education &
Communities

the opportunity to recognise all the outstanding sporting achievements made by our students and special acknowledgment to students who have competed in grade sport for the first time this year.

CAPA SHOWCASE

As always this time of year we are excited about the encroachment of our CAPA Showcase, VIVACITY 2015. Our staff and students involved in this year's extravaganza have been working incredibly hard and we are again expecting something special. Please support the school by purchasing a ticket and attending one of the performances. There is no doubt you will be dazzled and amazed at what our students can do. Tickets are available at the front office.

This year will also mark the inclusion of performances from 3 of our partner primary schools: Hambledon PS, Quakers Hill East PS and Quakers Hill PS.

END OF YEAR ACTIVITIES

The school is very busy with all the end of year activities – developing the 2016 Timetable, Year 7 & 8 Swim School, exam coordination, Year 10 Graduation preparation, peer mediation training, Semester 2 reports, Year 6 Orientation and the organisation for Presentation Day and getting ready for 2016. I would like to take this opportunity to thank all staff for their efforts with these many programs, but special thanks to:

1. The Presentation Day Committee Team (Mrs Cooper, Mrs Razbusek, Ms Romerosa, Mrs Naicker, Mr Nash, Mr Roma, Ms Valatiadis, Ms Barratt, Ms Tweeddale, Ms Portelli, Mr Daghel, Mrs Nicholls, Mr Cameron and Ms Tong) for organisation of: the Year 10 Graduation, Presentation Day, Sports Assembly and the

2. School Service Assembly
Mr Roma, Mrs Asgar and Mrs Maricic for the organisation of the Year 10 Formal
3. Mr. Barry and Mr Hutton for Year 7 & 8 Swim School
4. Ms Lachevre for Year 6 Orientation
5. Ms Hall and Mr Brooks for the Semester 2 reports
6. Ms Khehra and Mr Head for the 2016 timetable
7. The wonderful CAPA Showcase team – Ms Valatiadis, Ms Lachevre, Mr Brooks, Ms Tong, Ms Tweeddale, Mr Dacey, Ms Marin, Mr Roma, Mrs Razbusek, Ms Barratt, Ms Jossleyn, Ms Spring, Mr Wong, Mr Wright and Mr Cole.
8. Mrs Critchley, Mr Head and Mrs Khehra for organisation of our accelerated program for 2016
9. Mrs Payne and the Support Unit staff for the Support Unit Review Meetings and the transition meetings for our new Support Unit students
10. Ms Naicker for coordinating Year 10 All My Own Work
11. Mrs Maricic and Mr Hutton for organising the Year 10 Orientation
12. Ms Mahon and Mrs Maricic for the organisation of our Reward Excursion
13. Mr Nash and Mr Kantek for coordination of the exams
14. Ms Paa and the Welfare Team for the transition program for our anxiety students
15. Ms Romerosa, Mrs Cooper and Ms Hall for the student Handbooks and Diaries for 2016

Have a safe and relaxing weekend.

DEPUTY PRINCIPAL'S REPORT

EXAMS AND ASSESSMENTS

Currently all year groups are involved in exams and assessment tasks in order to assess the progress and performance of our students. During the week I went to the hall to assist with the start of the exams and I was pleased to see the students move in quickly and quietly and complying with exam expectations.

It is important that students continue to work hard in class at all times. All subjects will continue to provide a rigorous program of study to continue to build skills and knowledge in preparation for progression into the next year of study.

YEAR 10'S SEEKING EXEMPTION AFTER THE ROSA

Now the examinations are over many students may be seeking exemption for the remainder of the school year. This is undoubtedly a

good time for students to seek work, to gain further hours in existing roles and so on. Please note some of the rules around seeking an exemption. You must provide:

- i) clearance from Mrs Maricic that N Determinations are resolved, fees are paid and library books returned
- ii) a signed letter on official letterhead from your employer/course provider. This letter must indicate that your employer etc. understands there are some dates that you will need to be at school
- iii) a signed letter from a parent or caregiver
- iv) these documents to Mrs Claus / Mrs Maricic

If all documentation is in order, you will then be provided with an exemption on the understanding that you will attend school on the following dates:

2nd and 3rd November: *All My Own Work*. This is compulsory for ALL NSW students who are undertaking Stage 6. Any student who is absent on these days will have to complete a catch up at a later date.

5th November:

P3 – Elevate Study Skills Program for students who are continuing in further studies (\$12 to be paid to the office)

P5 & 6 – Etiquette skills for those students who are attending the Formal

18th November: *Wyndham Orientation Day*. All students who are going to Wyndham must attend in full school uniform. Failure to attend may endanger your position.

3th December: Year 10 Graduation Rehearsal at 9am. Full school uniform.

4th December: Year 10 Graduation at 9am. Students are to arrive at 8.30 to have their name marked off. Full school uniform.

AM I ALLOWED TO GO TO THE FORMAL?

Earlier this term a non-formal list was compiled based on student attendance, work completion, behaviour, uniform and so on. Approximately 70 students were placed on this list for a variety of reasons. Identified students were given a letter for parents to sign and told how they could improve their performance. Many students have since worked their way off the list and have been informed that they can now pay the formal deposit. Please remember that paying the deposit does not guarantee attendance as subsequent misbehaviour can lead to loss of deposit and loss of your child's opportunity to attend.

JAMBEROO – THE BIG DAY OUT TUESDAY 1ST DECEMBER 2015

The annual reward excursion for selected students who have consistently upheld the school SMART values is on again this year. This is an invitation only event as only 200 students may attend this excursion. The first 200 students to pay will secure a place. Please be aware that approximately 350 students have received an invitation and are eligible to attend. This is a significant improvement on last year. Congratulations to all the students who were issued an invitation.

YEAR 8 NEWS

YEAR ASSEMBLY: At our last assembly 60 students were recognised through the positive review. These students were nominated by their class teachers in 3 or more subjects for improvement, being conscientious and

classwork. Congratulations to all of the students who received awards and I encourage all students to continue to work hard at all times so they too can be rewarded.:

DIGITAL THUMBPRINT

On Tuesday 3rd November all of Year 8 will be participating in Digital Thumbprint workshops which are run by Optus. With our students using the internet so frequently and interacting with each other online, Digital Thumbprint will provide them with the necessary tools to stay safe online. The Digital Thumbprint workshops are a fun and interactive way to teach children the advantages of a positive online presence whilst arming them with the facts that they need to stay safe online. We are sure that our students will gain much knowledge and enjoyment from the workshops and we thank Optus for providing our students with this wonderful opportunity.

VALID TEST

From Monday 9th November Year 8 students will be sitting the VALID Test which has replaced the ESSA online test. To recap, VALID is the new statewide Science assessment program that is based on the NSW Science Years 7-10 Syllabus, which mandates the teaching of Science in contexts that assist students to see the relevance of Science and to make meaning of scientific knowledge, understanding, skills, values and attitudes.

Mrs B Maricic

Deputy Principal (Years 8 & 10)

Congratulations to James Lee of Year 8 who won 1st and 2nd prize in the Year 10 fund raising competition.

SCIENCE MATTERS

Its Halloween tomorrow and because you were all so busy studying for the exam, we thought that we could help get you organised! How about making some slime? This versatile ooey, gooey substance will be perfect for grossing others as your booger slime dangles from your nose - an effective addition to your party or trick or treating costume!!!

Or why not stretch the slime to form a colourful cobweb and use this as a decoration.

The chemical reaction between liquid starch (you can get this from *Coles* or *Woolworths*) together with regular glue makes a mixture that splats, sticks, oozes, flops and stretches. Engage in some imaginary monster-play and embrace your inner scientist with this fun activity!

Halloween Liquid Starch Slime

Materials:

- * Clear glue, glitter glue or white glue (Elmer's washable works best, but so does ordinary type)
- * Liquid Starch
- * Water
- * Measuring Cup

- * 2 bowls and a spoon
- * Food colouring

Instructions:

- * In one bowl mix 1/2 cup water and 1/2 cup of glue (really mix to combine completely).
- * Now's the time to add colour.
- * In another bowl measure out 1/2 cup of liquid starch.
- * Slowly mix the glue/water mixture into the starch with a spoon, make sure to get all glue out of bowl.
- * Switch to mixing with hands for a few minutes until you feel it come together.
- * Put in a clean, dry container or Ziploc bag

Hint: Liquid starch slime gets better with time but can be used right away. Playing with it helps it set. After about 10 minutes, it is just right and looks awesome. Decorate your liquid starch slime with glitter, confetti or other fun things!! It keeps at least for a week.

AN IMPORTANT MESSAGE TO ALL YEAR 8 STUDENTS:

Validation of Assessment 4 Learning & Individual Development (VALID)

Important Information for Year 8 parents/carers

The students in Year 8 will be sitting the *Validation of Assessment 4 Learning & Individual Development (VALID)* test between the dates **Monday 9 November** and **Tuesday 17 November 2015**. Their Science teachers have notified the students of the periods during which this interactive online assessment will be undertaken.

VALID Science 8 is mandatory for all Year 8 students in NSW government schools. The aim of this assessment is to provide parents and the school with valuable information about what students know and can do in aspects of Science. The data gathered from this test is used to improve learning and teaching of Science for all students.

Students in Year 8 were given a note on *VALID* to take home by their science teachers, explaining the purpose for this testing, together with an indication of what aspects of science will be tested as part of the Stage 4 syllabus. The note also included a form for consideration for special provisions, which needs to be returned to the science teacher as soon as possible, should this be required.

It is important that students come prepared with their **own earphones/headphones** on the

date that they will be sitting for the test.

For any further information or concerns on *VALID*, please do not hesitate to contact the school on 9837 1533.

***VALID* Science 8 Coordinator,
Mrs R Prasad**

CAPA FACULTY NEWS

CAPA Showcase Rehearsals

Final rehearsals are underway with the lead up to CAPA Showcase “Vivacity” and we will be very busy running through technical and dress rehearsals over weeks 5 and 6. Performers are reminded to please check their rehearsal times to ensure a smooth production. We wish our students the best of luck for their items and thank all students involved for their hard work and dedication during the year!

Music Overview for Term 4

This term Year 7 and Year 9 are taking in part in Aboriginal and Torres Strait Islander Music and will be engaging in performance work with both traditional songs and popular music. Year 7 will focus specifically on the songs “Taba Naba” (a traditional song from the Torres Strait Islands) and “Treaty” by Yothu Yindi. Year 9 will be continuing their aural development and conceptual analysis skills and perform the work “My Island Home” by Christine Anu. Year 8 are studying the music of Indonesia in their topic of Music of a Culture. They will be learning about Balinese gamelan music and will perform and compose their own works inspired by gamelan gong kebyar. Year 10 are completing their studies with a history of Rock and Roll and will be performing pieces in this style. Students will also be involved in compositions of rock and roll styled music and focus on ensemble work.

NEWS FROM THE MATHEMATICS FACULTY

Most of the yearly examinations are almost done and students are waiting for the results. The Mathematics faculty would like to commend all students who have diligently studied and completed their examinations.

We still have six weeks to go until the end of this school year and there are still a lot of topics to cover until the end of term. These topics are prerequisite for next year's content.

Year 7 will be learning about perimeters of parallelograms, trapeziums, rhombuses and kites.

Year 8 will cover properties of geometrical figures 2 and linear relationships.

Covers @ FirstCovers.com

Year 9 will be learning about right-angled trigonometry, rates and ratio.

Year 10 are mostly learning about the practical side of Mathematics such as: credit cards, loans, blood alcohol content, etc.

Towards the last few weeks of the term, Years 7-9 will be learning about probability. Though the yearly exams are over, students should bear in mind that the topics to be covered for the remaining weeks will be important for next year.

FROM THE TAS DEPARTMENT

Teachers of students in the TAS Department would like parents to be aware that while exams might be completed, we are still completing outcomes, and classwork will continue as usual. Classes will still be completing practical tasks and learning associated theory throughout the term. Uniform rules such as bringing aprons and wearing correct shoes will still be strictly followed.

We are pleased to display the following examples of student work.

ENGLISH FACULTY NEWS

This has been a very busy week for the English faculty. Year 8, 9 and 10 students have been sitting for the English Yearly Examinations while Year 7 has completed their Literacy Numeracy Examinations in class. We know that the results will reflect the hard work that students have given to their studies this semester and the excellent teaching by the staff.

In Drama the Yearly assessment task has been completed but students are now working hard to refine their performances for the CAPA showcase, Vivacity, in week 6. The Junior Drama Theatresports group has successfully represented Quakers Hill High in the Impro Australia Theatresports Competition and will compete in the finals as the top performing State school next week. Congratulations to the team- Laura Towell, Madeline Rochester, Lily Kennedy,

and Taylor Scott who were ably coached by Mr Dacey and Mr Andrews.

Following is an outstanding short story from **Tobey Watkins in 8I**. Tobey wrote this story in the Year 8 Yearly Exams for English. Year 8 students had to write a short story representing the concepts of either SURVIVAL or ADVENTURE/ EXPLORATION. They had to choose one stimulus picture or quote provided to them in the examination and then they had 45 minutes to plan and write their story. The stimulus quotes and pictures were unseen before the examination so students only had 45 minutes to both plan and write their response.

Tobey's response was impressive and an excellent example of the power of using symbolism and allegory in writing.

(Allegory: figurative treatment of one subject under the guise of another; a presentation of an abstract or spiritual meaning under concrete or material forms).

Concept: SURVIVAL

Stimulus quote: A simple hello could lead to a million things.

"Hello" was all I said. That day, the day I met her, was revolutionary for me. The day I met Hope, the day that 'hello' changed a million different aspects of my life.

Hope stood there, on the edge of the cliff, as if looking for a reason not to take another step. "Hello" was all I said, and her answer was not the one I was expecting. Her answer bewildered me for she looked around my age, she had a Class of 93, just as I had back at my apartment. Yet her answer was that of one who had seen the start and end of events that had happened millennia before. This was her answer.

"Have you come to crush me, like the rest of the world, child? Have you come to snuff me out like I am the last stubborn candle on a birthday cake? Well, do not worry, child, for I am leaving the world, letting it go on without me. I will finally rid the world of myself, Hope."

Can you see? That is why her answer astonished me, made me feel devoid of, well, ignore the irony, but she rid me of hope. I told her, "I did not come to crush you, as you say. I only wanted to know your name."

It is then that I found out her name was Hope and I laughed, for I had come to this cliff to try and find some hope. I guess the universe has a twisted sense of humour, because I had found my hope.

I had to try and get her to back away from the edge, for she had all but told me that she was going to jump. But what she then said stopped me in my tracks. Hope said, "You have come here looking for hope child, haven't you? Well you do not need her. The world has become the machines they invent, devoid of all emotion except for greed, lust, rage and passion. There is no need for hope in the world's engine."

Hope talked as if she had been to every nook and cranny of the world and had not found something to convince her to stay. But it seemed like I might have done enough when she said, "You are the only one truly seeking for hope. You hope that I will not leave, do you not? And because of that, I would regret leaving." Everything pointed to her staying until Hope uttered this: "Be brave, my child, for the world will squish the fire that is within you."

And with that she took one step backwards and fell. I looked over the edge, yet I could not see her. But with goodbye, any hope I had left me. The world seemed colder, darker and without hope.

So, after all, a simple hello could change a million things. And it did. I saw the machine that Hope had talked about now, saw its greed in the rich. Saw its lust in the poor and in the crazy. I saw its rage and its passion but I did not see the one thing I was looking for and that is when I realised something.

This is what the world was like without Hope.

Tobey Watkins 8I

Term 4 !!

CALLIGRAPHY is
on the way!

Term 4 is a busy term for Language students with lots of new learning experiences on the way.

In Year 7, students are studying topics like Transport, Days of the week, colours, school subjects and some cultural studies such as Sports Day in Japan. They are also doing a movie study and some students are watching the Academy-Award winning anime, *Spirited Away*. This movie has been studied by Japanese language students all over NSW, and has even been part of the HSC Extension Japanese programme in recent years. Students will be learning about Japanese Calligraphy and using brushes and inks over the next few weeks.

Year 8 Spanish students are studying how to talk about the calendar and school subjects.

In culture they will be looking at bull-fighting and different Spanish-speaking countries and their customs.

Year 8 French students are looking at how to buy and sell things. They are doing a unit on buying a pet in a pet shop, but the shopping will be extended to restaurant and cafes.

Year 9 and 10 Japanese electives are learning how to tell the time, hiragana and pop-culture studies.

Elective French are going to be looking at weather and French speaking countries.

SWIM SCHOOL 2015

Swim School is on in 2015 for both Year 7 and Year 8. During this time staff and students travel to Blacktown Pool and participate in a swim and survive program that lasts for one week for each year group.

Year 7 is during Week 7 Term 4 (Monday 16 – Friday 20 November)

Year 8 is during Week 8 Term 4 (Monday 23 – Friday 27 November)

The program caters for all levels from non-swimmers to competent swimmers. Students are asked to indicate their swimming ability on the permission note which has been handed out before it is returned to the front office.

Aquatics is a compulsory component of the Year 7 PDHPE program and all students are expected to attend. There will be NO formal lessons at school for Year 7 or 8 during the week their year group is at swim school. The emphasis of the program is on personal survival and rescue techniques. In a country where there are so many drownings at the beach and in backyard pools it is of great importance that our students are confident in and around water.

Some students say that they can swim so they don't need to attend. This is not the case as by attending each student will achieve a Certificate of achievement indicating the level of their competency from RSLSA as well as learning survival and resuscitation techniques. This is extremely important as quite often you may need to save the life of someone else. This could be someone in your family or a complete stranger.

A couple of years ago a former student from QHHS was walking down to Stanhope Shops when he saw a mother and father who had a young child with them who had stopped breathing. They were in a panic, however the ex-student calmly took control of the situation, used CPR training that he had just learnt from the swim school program and saved the life of the young child. The ex-student received a large write up in two local newspapers and he also received an award for bravery.

Times: Roll call as normal. Students will then be transported to the pool by bus. Students will return to school by 3:00pm.

Cost: \$60 – Swim & Survive Award \$65 – Bronze Star & \$70 for Bronze Medallion (Yr8's) (approval required for both of these-see Mr Barry)

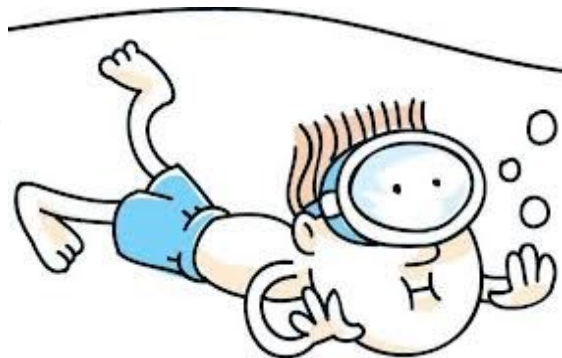

Cost includes pool entry, bus fare and awards from the Royal Lifesaving Australia.

Requirements:

- School uniform is not required but students are expected to be appropriately dressed eg T-shirt, shorts and footwear.
- Towel, swimmers and warm clothes (tracksuit)
- 30+ sunscreen, hat, additional T-shirt to wear in the pool.
- Some students will be required to bring and wear additional clothing into the water as part of their award, however, their instructor will inform them accordingly.

Other:

- Students will be supervised at all times by staff however staff will not be responsible for large sums of money or valuables.
- Canteen facilities will be available during recess and lunch times.
- All students are required to follow the **SMART** expectations of QHHS for the duration of the Swim and Survive program. Failure to comply may result in exclusion from the program without refund.

A St Vincent De Paul Christmas Hamper Drive Message from our 2016 Peer Support Nominees

By Holly Bramble (Year 9)

It is human nature to help those in need. So, succumb to your instincts this holiday season and donate to the St Vincent de Paul Hamper Drive. Each year, QHHS collects donations that go towards helping some of the struggling families living in our community, and you can be a part of that honoured tradition simply by bringing in a non-perishable food item to the Library for inclusion in our hampers. Donations will be collected until Week 8, so you have plenty of time to forage something yummy from the depths of your pantry! We ask that all donated items have a 'use by date' that extends into February/March 2016 to ensure that the targeted families are able to make use of the items well into the New Year.

Our Week 4 targets for donations are - pasta, pasta sauces, cereal, condiments & drinks.

The 2015 QHHS 10 Book Challenge Wraps On the 27th of November

...and the Pizza Lunch will kick off in Week 9

The 2015 QHHS 10 Book Reading Challenge will be wrapping on Friday the 27th of November in Week 8 of Term 4. So, all participating reading enthusiasts must submit their completed Reading Logs to Ms Lachevre by Friday afternoon to reap the benefits.

If you indicated that you would be participating this year and if the pizza lunch, awards and Letters of Commendation still appeal to your resume or your tastebuds, then drop your Reading Log off ASAP. (You may also email Ms Lachevre a scanned copy of you log - melissa.lachevre@det.nsw.edu.au)

The 2015 CAPA SHOWCASE – VIVACITY

Rehearsal Schedules, Permission Notes & Media Release Forms

Parents, performers and crew members are reminded that the intensely busy pre-show rehearsal period is about to commence for our 2015 production of Vivacity. We have a busy agenda of in-school, after school and weekend rehearsals and anticipate that all students involved will be available for these sessions to honour the commitment they made when joining our CAPA ensemble and to help ensure that the highest quality performance makes it to the stage on the 10th and 11th of November.

To help keep the rehearsals fresh in your minds and to facilitate high attendance rates, we have created a Vivacity Rehearsal Summary Sheet. A hard copy of this schedule has been distributed to students by their supervising teachers, been emailed to student Portal accounts and is included within this edition of Contact for your personal reference.

Some students are still yet to return their Media Release Forms and Permission Notes. Additional copies have been attached to this edition of Contact and have also been emailed to student Portal accounts and can be picked up from

the Library Front Desk. It is vital that all cast and crew return these forms. Unfortunately without these forms, students will be unable to participate. Completed documents can be dropped in the CAPA Note Box in the Library by students or dropped off at the Front Office by Parents.

Ordering Your 'Vivacity'- CAPA Showcase DVD

Be the first to savour the thrills, spills, comedy and drama of this year's production of 'Vivacity'. Secure your piece of Showcase history, by pre-ordering the DVD for \$25.

'School Memories Captured', the professional production company we have hired to film our concert, will do so using high definition cameras, ultimately producing a DVD with custom menus, chapter points for easy navigation, full custom artwork and colour printing.

To order your Vivacity DVD, you need to record your school, surname and child's name on the order envelope (which is available from the Library Front Desk) and specify the quantity of DVDs required and the funds enclosed. Cash or cheque may be used as your preferred payment form. You are to then drop the envelope and payment to the QHHS Front Office. If you are a primary school parent, you can deliver your envelope to your respective PS Front Offices for collection by Ms Lachevre by the 13th of November (Collection Date #2).

The pre-order price of \$25 will finish on Friday November the 13th, as all orders will be forwarded to School Memories Captured on this date. Orders placed after the 13th of November will have to be delivered directly to the QHHS Front Office for processing, with DVDs costing \$35. We will continue to accept late orders until December the 4th.

You may also place your order on one of the performance evenings, on the 10th and 11th of November. We advise you to supply the correct funds at the time of payment, as no change will be given. The order form/envelopes will be delivered to the film company untampered.

I anticipate that the DVDs will be ready for distribution in mid-December and will deliver your purchase(s) to your respective primary school after this point. Quakers Hill High School students will be called during Roll Call to collect the DVDs when they are finalised.

So don't delay. Once you've seen it on stage, you will want to re-live the theatricality of it all.

Securing your Tickets to this Fabulous Show

Tickets for Vivacity are on sale now and sales are hot. With phenomenal participation levels across four schools, there are many members of our local community that are eager to see the talent on show in 2015. Wednesday Night is currently sold out; only Tuesday evening tickets remain, so we encourage you to order and purchase your tickets as soon as you are able, in order to avoid disappointment. We are considering a potential release of two extra rows of seats for Wednesday evening and will keep you posted by email if this eventuates.

How to Order Your CAPA Showcase Tickets:

Collect your '2015 CAPA Showcase Ticket Order Form' from the front office, download it from the school website or use the copy included within this edition of Contact, then follow the steps below...

Our Vivacity Promotional Challenge – Ends this Sunday the 1st of November

If you elected to participate in the 'Vivacity Promotional Challenge' and have a Showcase poster in your hands and the best of intentions to hang it in the shopfront of a local business, then be aware, time is running out. The promotional challenge wraps up on Sunday the 1st of November. So, by 6:00 pm on Sunday the 1st of November you must have successfully hung your poster, taken a snapshot of it on location and emailed it to Ms Lachevre at melissa.lachevre@det.nsw.edu.au. We will finalise the winner's draw on the following Monday morning and will award the movie voucher that morning. Get in to action and become a winner!

Please remember to discuss this challenge with your parents or guardian, seek their permission to participate and their company when approaching businesses.

A Big Thanks To Our Generous Sponsors

This year's production has been proudly supported by numerous generous and community minded local businesses. We would like to extend our deepest appreciation to the following companies, whose support has helped us to mount a dynamic and rich showcase in 2015:

Monday the 11th May 2015

Dear Parents/Guardians,

In preparation for the 2015 QHHS CAPA Showcase, all cast and crew members are expected to attend technical and dress rehearsals. These rehearsals are a necessary part of mounting a polished and successful show and it is anticipated that all Showcase participants will make themselves available for these practices, as well as any additional rehearsals requested by their supervising teacher for the duration of the show's rehearsal period. These rehearsals will culminate in our Term 4 performance of 'Vivacity', scheduled for the 9th (Matinee), 10th & 11th of November, during Week 6.

Students are advised to return this note to Ms Lachevre by Wednesday the 24th of June, in Week 10 of Term 2. After each rehearsal and performance evening, arrangements will need to be made for your child's prompt transportation home.

The QHHS rehearsal details are as follows:

Tuesday the 3 rd of November	(3:30 pm – 8:00 pm)	Rehearsal <i>Select Performers + Lighting/Sound/Backstage</i>	(Hall)
Thursday the 5 th of November	(3:30 pm – 6:00 pm)	PS Technical Run-Through <i>PS Performers + Lighting/Sound/Backstage</i>	(Hall)

Quakers Hill High School

Dear Student/Parent/Guardian

Commencing **Monday 2nd November 2015**, many school bus numbers will be changing as shown below. It is important that you make yourself aware of the new bus number for the morning and afternoon trip, as both will be different.

AM - PM	Current Bus Number	New Bus Number
AM	6	6072
AM	1	6031
AM	4	6035
AM	5	6020
PM	5	6568
PM	3	6584
PM	2	6544
PM	1	6540
PM	7	6562
PM	6	6545

This change to 4 digit numbers is required to ensure Busways can meet guidelines set by Transport for NSW in terms of reporting and ticketing functionality.

Detailed school bus timetables (**including all connecting services**) are available on the Busways website at www.busways.com.au or for further information, please contact Busways Customer Service on **9497 1870** or **9497 1887**.

Busways wishes to apologise for any confusion this critical information upgrade may cause.

Yours sincerely

I am sure that you would agree that effective communication between the school and home is important. One means of communication is the school newsletter 'Contact'.

On top of this is the notion that a paper newsletter is expensive (over \$5000 every year) and given the increasing number of parents who use email and actually prefer it, we really need to get with the times and communicate with parents electronically. Of course, a paper version would still be available for those who require it.

We would like to start sending out newsletters by email thus ensuring that they reach the desired destination and saving money which would be better spent on resources for your children.

YEAR 10 STUDY SKILLS SEMINAR AND FORMAL

A reminder to all Year 10 students that you are required to pay for your Elevate study skills seminar by Monday 2nd November. The cost is \$12. The session is designed to help students develop study skills and will be valuable in helping prepare Year 10 students for their transition to Wyndham College.

If you need a new note, please see Mrs Asgar in the History staffroom.

In addition, Year 10 are reminded to make payment for their formal. We are very much looking forward to this special event and celebrating the end of your time at Quakers Hill High School with you.

Lilys is kid friendly!

*Don't stress out on the thoughts of taking the kids to dinner.
At Lilys we offer plenty of entertainment that will keep them busy.*

Fun, Fun Fun! The Gizmo Kids Room is a great space where the young ones can enjoy themselves in a safe environment. With a wide assortment of coin operated machines the kids are pretty much guaranteed of a happy time.

Lilys will even be more kid friendly with a brand new outdoor playground being built next to the new alfresco dining area. The multimillion dollar renovation will be finished early November and welcomes families 7 days a week.

Did you know that kids eat free on Thursdays? Order a main meal and receive one kids meal for free.
