IMPORTANT NEWS FOR STUDENTS & PARENTS

STAFFING FOR TERM 4

I would like to acknowledge Ms Del Pinto who relieved for Term 3 as the HT TAS and thank her for her leadership of the TAS faculty. She will be returning as the Year 10 Adviser next term to prepare for the end of year festivities with Mr Roma. This term, Ms Willmett relieved as Year 10 Adviser for Ms Del Pinto and we thank her for all her efforts. Mr Meredith will step into the role of Relieving HT TAS for Term 4. I'd like to take this opportunity to welcome back Mrs Paa (SSO), Mrs Gideon and Mr More and thank their replacements, Mr Hill and Mr Young for the term.

PRACTICE EVACUATION

Every year schools are required to run a variety of Evacuation drills to ensure the school community are aware of the procedures to follow for the safety of everyone. On Wednesday the school had an Evacuation drill from an assembly setting. It is important that these drills are taken seriously by the whole community as knowledge saves lives. The drill was carried out and the students were mustered onto the oval very quickly allowing them to practice an unfamiliar procedure.
