SMART FOCUS FOR WEEKS 7 & 8: WORKING SAFELY ACROSS ALL SCHOOL ENVIRONMENTS

IMPORTANT NEWS FOR STUDENTS & PARENTS

UNIFORM

While uniform continues to be positive overall there has been a recent spike in the number of students not wearing the correct school jumpers and school pants – probably due to the recent cold weather. Students who are out of uniform without a note do receive a lunchtime detention and failure to attend this does result in an after school detention.

The following items are NOT an acceptable part of our school uniform:

- Black Socks – regardless of whether students are in sports uniform or not
- Anything with hoods – regardless of the colour
- Track suit pants – the only acceptable track pants are the school ones and these are only to be worn on their sport day.

REMINDER OF MOBILE PHONE USE DURING CLASS TIME

Several students have received after school detentions and some have received formal cautions about phone use. Please remember that if your child's phone is out in class on three separate occasions, then they will get an after school detention. If it is confiscated 4 times, they will receive a formal caution and thereafter a suspension. Please support us by not calling your child throughout the school day.

YEAR 9 POLICE TALK

On Thursday 1st June, Constable Amanda Jones will be addressing the Year 9 students about a range of issues including bullying. She will also be speaking specifically to some younger students who have engaged in bullying and in bystander behaviours. The Bullying No Way website tells us that 87% of bullying happens in front of an audience. That means that 9 out of 10 times someone is watching when someone else gets bullied. Bystanders are the key to stopping bullying and at QHHS we do take this seriously.

TASTER DAYS AND SUBJECT SELECTION NIGHT

The Wyndham Try Senior School Days were very successful with 90% of QHHS students stating that they found the days useful and informative. All Year 10 parents are reminded about the Wyndham Subject information evening on 5th June at 6pm for a 6.30 start. This is an invaluable opportunity to get all of your questions answered and attendance is strongly encouraged.

SOME OUTSTANDING SUCCESSES

QHHS Theatresports students Taylah Lennard, Laura Towell, Riley Lewis and Lily Kennedy came second in the Intermediate Theatre Sports Schools Challenge and will now be competing in the finals at the Enmore Theatre. This is an outstanding result in a highly competitive field that is often dominated by independent and creative arts and performing schools.

Congratulations also to the OZTAG Teams who demonstrated outstanding skills, ability and sportsmanship in the recent Gala Day where 3 teams reached the semi-finals and the senior boys made it into the finals coming second.

These are just some of the outstanding results recorded by QHHS in the last fortnight. There are

several more that need to be announced in other forums before mentioned locally but suffice to say we continue to be proud of all of our students who strive so hard to achieve excellence.
