Why joining the QHHS P&C is so vital.

A message from the students of the SRC.

"Having your parents involved in the P&C allows your voice to be heard and expressed on decisions made within the school community."

"It fosters a closer connection with the school."

"Having a strong P&C is an important part of the school community, as they help plan events, make vital decisions within the school, fundraise, run the uniform shop and help make our school as good as possible."

"If we didn't have a strong P&C we wouldn't have a lot of the luxuries that we have."

"Being in the P&C can help you be more involved in your child's education, make new friends, feel a great sense of purpose, and have a positive impact on your community."

SO, JOIN THE TEAM.

Learn more about our school.

Enrich our school community.

And ensure that all students reap the benefits of your perspective, your knowledge and your skillset.

ACT NOW.

Some initiatives powered by our P&C
