ISSUE 8 TERM 2 WEEK 9

# How does your garden grow?

## Look at our Vegetables!

### Relieving Principal's Report

**School Uniform Orders**

A reminder that **school uniform order forms are due back by Friday 26 June**. We are aiming to place a bulk order so uniforms arrive in time for the start of **Term 3**. Please note there is approximately a **three-week turnaround** on orders. Uniforms ordered after this date will need to be purchased directly through Wendy's Embroidery and may be more expensive as they will not be included in the school's bulk order.

**Lake Cowal Conservation Centre Excursion**

Students are looking forward to attending the **Lake Cowal Conservation Centre** with Bribbaree and Caragabal next week. Primary students will travel over on **Thursday at 11:30am** and stay overnight, while Infants students will join on **Friday** for a day of environmental and outdoor learning activities. Permission notes and further information are available on **School Bytes**.

**Personal Items and Lost Property**
Please ensure that **all clothing, drink bottles and personal items are clearly labelled** with your child's name. We have seen an increase in lost property recently, particularly following collaboration days between Quandialla, Caragabal and Bribbaree. Labelling items makes it much easier for them to be returned to their owners.

**Henry Lawson Recitation Day**
My apologies to several students whose achievements were inadvertently omitted from last week's newsletter. Congratulations to **Cooper (Commended)**, **Luke (Highly Commended)**, **Audrey (Highly Commended)** and **Amelia (Commended)** for their excellent performances at the Henry Lawson Recitation Day. We are very proud of your efforts and confidence in presenting your poetry.

**Waste 2 Art – Henry Lawson Festival**
Congratulations to **Rilee**, who received a **Highly Commended** award for her Waste 2 Art entry, *Flowers in a Pot*. This is a wonderful achievement and recognition of her creativity and effort.

**Visitors and Contacting the School Office**
A reminder to all parents and visitors that **all visitors must enter through the school office when arriving on site**. This is an important **Work Health and Safety (WHS) requirement** that ensures we are aware of who is on school grounds at all times. We also ask that permission notes, medication, student absences, changes to travel arrangements and any student welfare concerns be communicated through the office wherever possible. This helps ensure information is correctly documented, relayed to the appropriate staff members and actioned in a timely manner.

**Head Lice Reminder**
We have recently identified the **presence of head lice** within the school. We ask all families to **thoroughly check their child's hair** and treat accordingly if lice or eggs (nits) are found. Regular checking is one of the most effective ways to prevent the spread of head lice within the school community. Your support in addressing this promptly is greatly appreciated and will help minimise further cases. If you require information about treatment options, please contact the school office

Kind regards, Brady Pudya – Relieving Principal

# Kitchen Garden Lessons

**18th June, 2026**

## 'Soup & Bread Making'

A big 'Thank You' to Mrs Dixon and Millar for helping our students cook a delicious meal of soup and bread.
