Relieving Principal's Report:

Small Schools Creative Arts Camp

Last week **Amber and Macey** attended the **Small Schools WildArts Camp** at Dubbo Zoo. The camp provides Year 5 and 6 students with a fantastic opportunity to explore creative and performing arts, try new activities and make new friends with students from small schools across NSW. It is always a highlight of the year, and something our younger students have to look forward to in the future.

League Stars Clinic

Our students had a fantastic time participating in the **League Stars Clinic** led by **Shanika, NRL Game Development Officer – Parkes**. Students developed a range of rugby league skills through fun, engaging activities and each received a squishy football to take home. Thank you to Shanika for a wonderful session.

Macey's Year 6 Wood Raffle & Assembly

Congratulations to **Michael Millar**, the lucky winner of Macey's **Year 6 Wood Raffle**. A huge thank you to **Andrew** for donating and cutting the trailer load of wood, and to **Dan and Jeremy** for supporting the fundraiser at the Bland Hotel. A grand total of $776.00 was raised from this raffle. Funds raised will go towards purchasing items for our school.

Congratulations to merit award winners; Jackson, Riley, Luke and Cooper. We also thank our parents and community members who attended our school assembly and continue to support our students.

Winter Uniforms

Our **winter uniforms have now arrived**. Further information regarding payments and collection will be sent home later this week. Thank you to families for your patience while the order was processed.

School Travel Survey

During **Weeks 5 and 6**, the NSW Government will be conducting a **School Travel Survey**. The information collected will help inform future school planning, including upgrades to transport infrastructure such as crossings, bus zones and access improvements. Staff will complete the survey on behalf of students and staff. **No names or personal information will be provided.** If you do not wish your child's travel information to be included, please notify the school.

Bland School Fridays

We are excited to be hosting our **Bland School Collaboration Fridays** at **Quandialla Public School** throughout this term. These days provide students with valuable opportunities to work in stage-based classes, participate in larger sporting activities and build friendships with students from Bribbaree and Caragabal. We look forward to another great term of collaboration and learning together.

Youth Police Visit

We were fortunate to welcome **Constable Maddy** to our school today. As the new Youth Police Officer for the Young area, Maddy spent time visiting each of our classrooms, as well as our preschool, getting to know our students and sharing what it is like to work in policing. She was delighted to discover that almost every student she spoke to had aspirations of becoming a police officer one day and was keen to encourage and inspire the next generation.

Constable Maddy will be returning to Quandialla Public School throughout the year to deliver a range of valuable sessions on topics including **road safety, stranger danger and cyber safety**. We look forward to continuing this positive partnership with NSW Police and thank Maddy for taking the time to visit our school.

Kind regards, Brady Pudya – Relieving Principal

NEWS from ....

Good afternoon everyone,

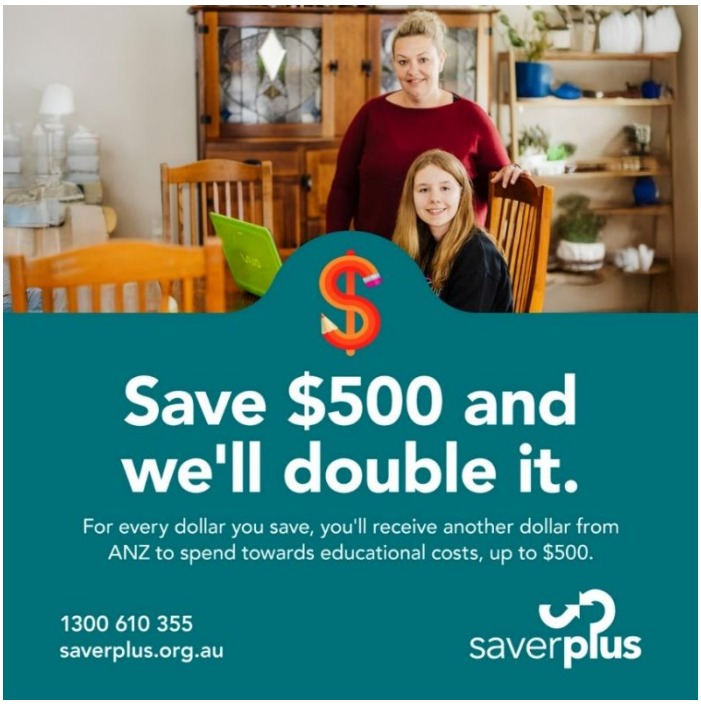
I wanted to share the below opportunity, which may be of interest to you, your business, school or organisation.

The **Banksia Foundation 2026 NSW Sustainability Awards**, proudly delivered in partnership with the NSW Government through the Department of Climate Change, Energy, the Environment and Water (DCCEEW), are now open for entries. The awards recognise organisations, businesses, councils, schools, community groups and individuals from across NSW who are making a positive impact through innovative sustainability initiatives.

There are **11 award categories**, including a **Sustainable Tourism Award**, making this a fantastic opportunity to showcase projects, programs or initiatives that are helping create a more sustainable future.

Key dates:

- **Free Information Session:** Wednesday, 5 August 2026
- **Entries Close:** Wednesday, 23 September 2026
- **Finalists Announced:** Monday, 2 November 2026
- **Awards Presentation:** Week commencing Monday, 7 December 2026

If you have implemented a sustainability initiative or know of someone who has, we encourage you to consider submitting an entry.


For more information, including award categories, eligibility and how to enter, please visit the **Banksia Foundation NSW Sustainability Awards** website.
