Corin Forest Snow Trip

Monday, 24th August, 2026

Relieving Principal's Report:

Corin Forest Snow Trip

Following the unfortunate closure of **Mt Selwyn Snow Resort** and the cancellation of our ski excursion, our wonderful day at **Corin Forest** more than made up for it! We were incredibly impressed by the courage and determination shown by our students as they learned to ski. They spent the day flying up and down the mountain and embracing the challenge. A huge thank you to parents and staff for getting everyone organised for the early start and to our staff for making it such a fantastic day for our students.

Bland Sports

A reminder that **Bland Sports is next Friday**. Students have been busy practising **ball games, track and field events and of course the ever-contested March Past**. We are looking forward to a fantastic day of competition, teamwork and school spirit and hope to see plenty of families there to support our students.

Show Artwork

A big thank you to **Mrs. Dixon** for spearheading our artwork preparations for the **Grenfell and Bribbaree Shows**. Our school art hanger is in transit, with a range of individual student artworks being submitted also. Be sure to check out our students' creativity at the **Grenfell Show on 4–5 September** and the **Bribbaree Show on 3 October**.

Uniforms

Our students are looking fantastic in their **new winter uniforms**. Additional uniform items can be purchased through the school office. Please remember to **label all uniform items with your child's name**. For those interested in a school beanie, these are still in production but should arrive soon. We will also have **adult sizes available** for interested parents and community members, with further information to come.

Kind regards, Brady Pudya – Relieving Principal

PUBLIC EDUCATION FOUNDATION

Every student deserves the chance to go further – and at the Public Education Foundation, we believe a public school education is the foundation for that future. Our scholarships exist to open doors: helping students discover what they're capable of, supporting the teachers and principals who shape their journey, and easing the load for families along the way.

Whether you're a student dreaming bigger, a parent backing that dream, or a school championing your community's talent, **there's a place for you here.**

A strong start can make all the difference.

Our Primary Scholarships help public school students and their families meet the everyday costs of education – from uniforms, books and devices to excursions, camps and tutoring. With opportunities for students from Kindergarten to Year 6, including scholarships for Aboriginal and Torres Strait Islander students, rural and remote communities and families experiencing financial hardship, support can begin early and, for some scholarships, continue across several years of primary school.
