smiling faces, along with a few natural nerves. Our dedicated and capable Kindergarten teachers are enjoying getting to know the children and their families, helping to ensure they will feel confident and well-prepared for starting school next year.

On Wednesday, we held our K-2 Athletics Carnival. Fortunately, we managed to avoid the heat and had a fantastic day filled with fun and participation. It was great to see so many students giving everything a go, not to mention the involvement from the parents and teachers! The spirit and enthusiasm made it a memorable event for all involved.

What's Been Happening At Rainbow Street?

This week we were excited to welcome our 2026 Kindergarten students for their first of three orientation mornings. It was wonderful to see so many

Term 4 is always a busy and important time filled with a wide range of school events. To stay informed, please regularly check the school calendar available on School Bytes, our school website, or in this newsletter.

Teachers are currently completing assessments and preparing Semester 2 reports. If you have any questions or concerns regarding your child's academic progress or wellbeing, now is an ideal time to arrange a meeting with your child's teacher. Effective communication is essential to support every student's success.

News from the Library: Exciting Digital Reading Opportunities!

Rainbow Street is thrilled to announce the launch of our new Digital Library, giving all students free access to a vast collection of eBooks, Audiobooks, and levelled readers, available anytime, anywhere!

During Library sessions this week, students have explored ePlatform, our easy-to-use digital reading hub, which they can access anytime through the Library hub in Google Classroom. Each student has received a personalised QR code to take home. By scanning it, families can download the free ePlatform app and enjoy the library's digital collection on their own devices.

If your child experiences any difficulties logging in or accessing content, please don't hesitate to contact me at karen.leo@det.nsw.edu.au, or encourage them to stop by the library before school or during lunch, I'm happy to help.

We hope you'll encourage your child to keep reading over the summer holidays and can't wait to hear about the wonderful stories they'll discover.

Congratulations to all our students who competed in the running races of our carnival on Wednesday.
