

School Behaviour Support and Management Plan- Red Range Public School

Overview

Red Range Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning.

Our goal is to inspire every child to participate positively in society. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

Principles of positive behaviour support, trauma-informed practice, inclusive practice and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

To achieve our vision, key programs prioritised and valued by the school community are:

- PAX Good Behaviour Game
- Trauma Informed Practice

Red Range Public School rejects all forms of bullying behaviours, including cyberbullying by maintaining a commitment to providing a safe, inclusive, and respectful learning community that promotes student wellbeing. Staff are committed to establishing evidence-based approaches and strategies that promote a positive climate where bullying is less likely to occur.

All members of the school community are active participants in building a welcoming school culture that values diversity and fosters positive relationships. A key component of a supportive school culture is building respectful relationships and an ethos that bullying is not accepted, in both online and offline environments. School staff actively respond to student bullying behaviour.

Partnership with parents and carers

Red Range Public School will partner with parents/carers in establishing expectations for engagement in developing and implementing student behaviour management and bullying strategies, by:

- inviting parent/carer and student feedback through formal and informal means such as school surveys, Tell Them From Me surveys, consulting with the P & C and local AECG

Red Range Public School will communicate these expectations to parents/carers through the school newsletter. Our school proactively builds collaborative relationships with families and communities to create a shared understanding of how to support student learning, safety and wellbeing.

School-wide expectations and rules

Respectful	Safe	Learner
Treat others as you want to be treated regardless of how they treat you.	Hands and feet to self	Be organised and ready to learn
Listen to and follow directions.	Use equipment correctly	Use feedback to improve

Use appropriate language.	Always be in our safe space	Be persistent and resilient when faced with challenges
Show respect with actions, words and behaviours.	Follow instructions promptly	Help ourselves and our peers to progress in our learning and see mistakes as learning opportunities.

Behaviour Code for Students

NSW public schools are committed to providing safe, supportive and responsive learning environments for everyone. We teach and model the behaviours we value in our students.

The Behaviour Code for Students can be found at <https://education.nsw.gov.au/policy-library/policyprocedures/pd-2006-0316/pd-2006-0316-01>. This document translated into multiple languages is available here: [Behaviour code for students](#).

Whole school approach across the care continuum

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyberbullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all students.

Care Continuum	Strategy or Program	Details	Audience
Prevention	National Day of Action Against Bullying and Violence (NDA)	Our school participates in the annual National Day of Action against Bullying and Violence (NDA) - in August each year.	Staff & students
Prevention	Learner Qualities	Our school participates in the teaching of Learner Qualities that look at the qualities of good learners.	Staff & students
Early intervention	PAX Good Behaviour Game	Our school uses proven behavioural strategies used daily by teachers with students. Evidence-based and trauma informed strategies build self-regulation in children, strengthen peer networks, reduce impulsivity and teach prosocial decision-making in children.	Staff & students

Care Continuum	Strategy or Program	Details	Audience
Prevention / Early intervention / Targeted / Individual	Australian eSafety Commissioner Toolkit for Schools to prevent and respond to cyberbullying	The toolkit supports our school to prepare, engage and educate the school community about creating and maintaining safe online environments to prevent cyberbullying incidents.	All students, individual students K - 6, families, staff
Targeted intervention	Attendance support	The principal will convene a planning meeting with students, families and teachers to address barriers to improved attendance and set growth goals.	Individual students, principal
Targeted / individual intervention	School learning and support	Provides support for students who need personalised learning and support.	Principal, individual students K - 6, families
Individual intervention	PLPs (Personalised Learning Plan)	Provides support for students who need personalised learning and support	Individual students, staff
Individual intervention	Individual Behaviour Support Planning	Planning is done in collaboration with the student and their family with support from Team Around a School where needed. This can include individual behaviour support and risk management plans.	Individual students, staff

Planned responses to positive appropriate behaviour, inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying

Identifying behaviour of concern, including bullying and cyberbullying

A behaviour of concern is challenging, complex or unsafe behaviour that requires more persistent and intensive interventions. A behaviour of concern does not include low-level inappropriate or developmentally appropriate behaviour. Bullying behaviour involves the intentional misuse of power in a relationship, is ongoing and repeated and involves behaviour that can cause harm.

Red Range Public School staff will identify inappropriate behaviour and behaviours of concern, including bullying and cyber-bullying through a range of channels, for example:

- directly observing a child or young person's behaviours, interactions, verbal communications, or work produced (such as written materials, performances or artworks)
- a person disclosing information that is not previously known, either because it is new information or because it has been kept a secret
- concerns raised by a parent, community member or agency.

Students or parents can report bullying to any staff member. NSW public school principals have the authority to take disciplinary action to address student behaviours that occur outside of school hours or school grounds, including cyberbullying. Students who have been bullied will be offered appropriate support.

Responses to all behaviours of concern apply to student behaviour that occurs:

- at school
- on the way to and from school
- on school-endorsed activities that are off-site
- outside school hours and off school premises where there is a clear and close connection between the school and students' conduct
- when using social media, mobile devices and/or other technology involving another student or staff member.

Preventing and responding to behaviours of concern

Red Range Public School uses the following strategies to recognise and reinforce positive student behaviour and behavioural expectations:

The use of verbal and non-verbal specific positive feedback is the most powerful way to:

- help adults and learners to focus on positive social behaviour
- increase the likelihood that students will use the expected behaviours and skills in the future
- decrease unexpected behaviour and reduce the need for corrective responses
- enhance self-esteem and build an internal focus of control.

Specific positive feedback may not be sufficiently reinforcing for some students, so the school-wide continuum provides the opportunity to pair verbal or non-verbal feedback with a positive, tangible consequence.

The school-wide continuum for acknowledging expected behaviour includes:

- free and frequent – for everyday use by all staff in all settings
- moderate and intermittent – awarded occasionally
- significant and infrequent – semester or annual types of recognition.

Prevention	Early Intervention	Targeted/Individualised
Responses to recognise and reinforce positive, inclusive and safe behaviour	Responses to minor inappropriate behaviour.	Responses to behaviours of concern.
1. Behaviour expectations and Learner Qualities are taught and referred to regularly. Staff model behaviours and provide opportunities for practice. Students are acknowledged for meeting school-wide expectations and rules.	1. Refer to school-wide expectations and/or emotional regulation visuals and/or supports so that the student can self-regulate.	1. Seek help from principal or other staff member if there is a risk to safety. Otherwise notify principal ASAP.
2. Verbal and non-verbal specific positive feedback is paired with a positive, tangible reinforcer in a school-wide continuum for acknowledging expected behaviour.	2. Use indirect responses including proximity, signals, non-verbal cues, ignore, attend, praise, redirect with specific corrective feedback	2. Principal/CT to take immediate steps to restore safety and return the situation to calm by using appropriate strategies such as: redirecting to another area or activity, providing reassurance or offering choices. Incident review and planning is scheduled for a later time determined by the context and nature of the incident.
3. Tangible reinforcers include those that are: <ul style="list-style-type: none"> • free and frequent • moderate and intermittent • significant and infrequent Intermittent and infrequent reinforcers are recorded on the centralised recording system.	3. Use direct responses e.g. Rule reminder, re-teach, provide choice, scripted interventions, student conference. Students have an opportunity to meet the classroom/playground behaviour expectation before a low-level consequence is applied.	3. Principal collects information and review the incident from multiple perspectives and determine next steps. Principal records the incident on Compass and contact parent/carer by email or phone (if deemed necessary). Principal may consider further action eg: formal caution/suspension.
4. All social-emotional learning programs (PAX Good Behaviour) are taught weekly.	4. Teacher records on Compass by the end of the school day or within appropriate time frame. Monitor and inform family if repeated.	4. Refer to the school's Learning and Support Team or considering current and previous behaviour data. Other actions may include developing a behaviour support/response plan and/or completing a risk assessment.
Teacher/parent contact	Teacher/parent contact	Teacher/parent contact
Teacher contact by phone calls home, are used to communicate student effort to meet expectations.	Teacher contacts parents by phone or email when a range of corrective responses have not been successful. In some cases, individual planning and referral to LST may be discussed.	Principal contacts parent/carer to discuss any support and behaviour responses, including referral to the LST, outside agencies or Team Around a School.

Responses to serious behaviours of concern

Responses, including students who display serious behaviours of concern, are recorded in Compass. These may include:

- review and document incident

- determine appropriate response/s, including supports for staff or other students impacted
- refer/monitor the student through the school learning and support team
- develop or review individual student support planning, including teaching positive replacement behaviour and making learning and environmental adjustments
- reflection and restorative practices (listed below)
- liaise with Team Around a School for additional support or advice
- communication and collaboration with parents/carers (phone, email, meeting)
- formal caution to suspend, suspension or expulsion.

The NSW Department of Education [Student Behaviour policy](#) and [Suspension and Expulsion Procedures](#) apply to all NSW public schools.

Reporting and recording behaviours of concern

Staff will comply with reporting and responding processes outlined in the:

- [Incident Notification and Response procedure](#)
- [Student Behaviour policy](#) and [Suspension and Expulsion procedures](#)
- If a behaviour of concern is also a child protection matter use the [Mandatory Reporting Guideline Tool](#).

Students and/or parents/carers can report cyberbullying to the [eSafety Commissioner](#) and reporting links for most sites, games and apps can be found at the [eSafety Guide](#).

Detention, reflection and restorative practices

Toilet and food breaks are always included when withdrawal from free choice play at either break is planned as a response to behaviour. The maximum length of time will be appropriate to the age/developmental level of the student.

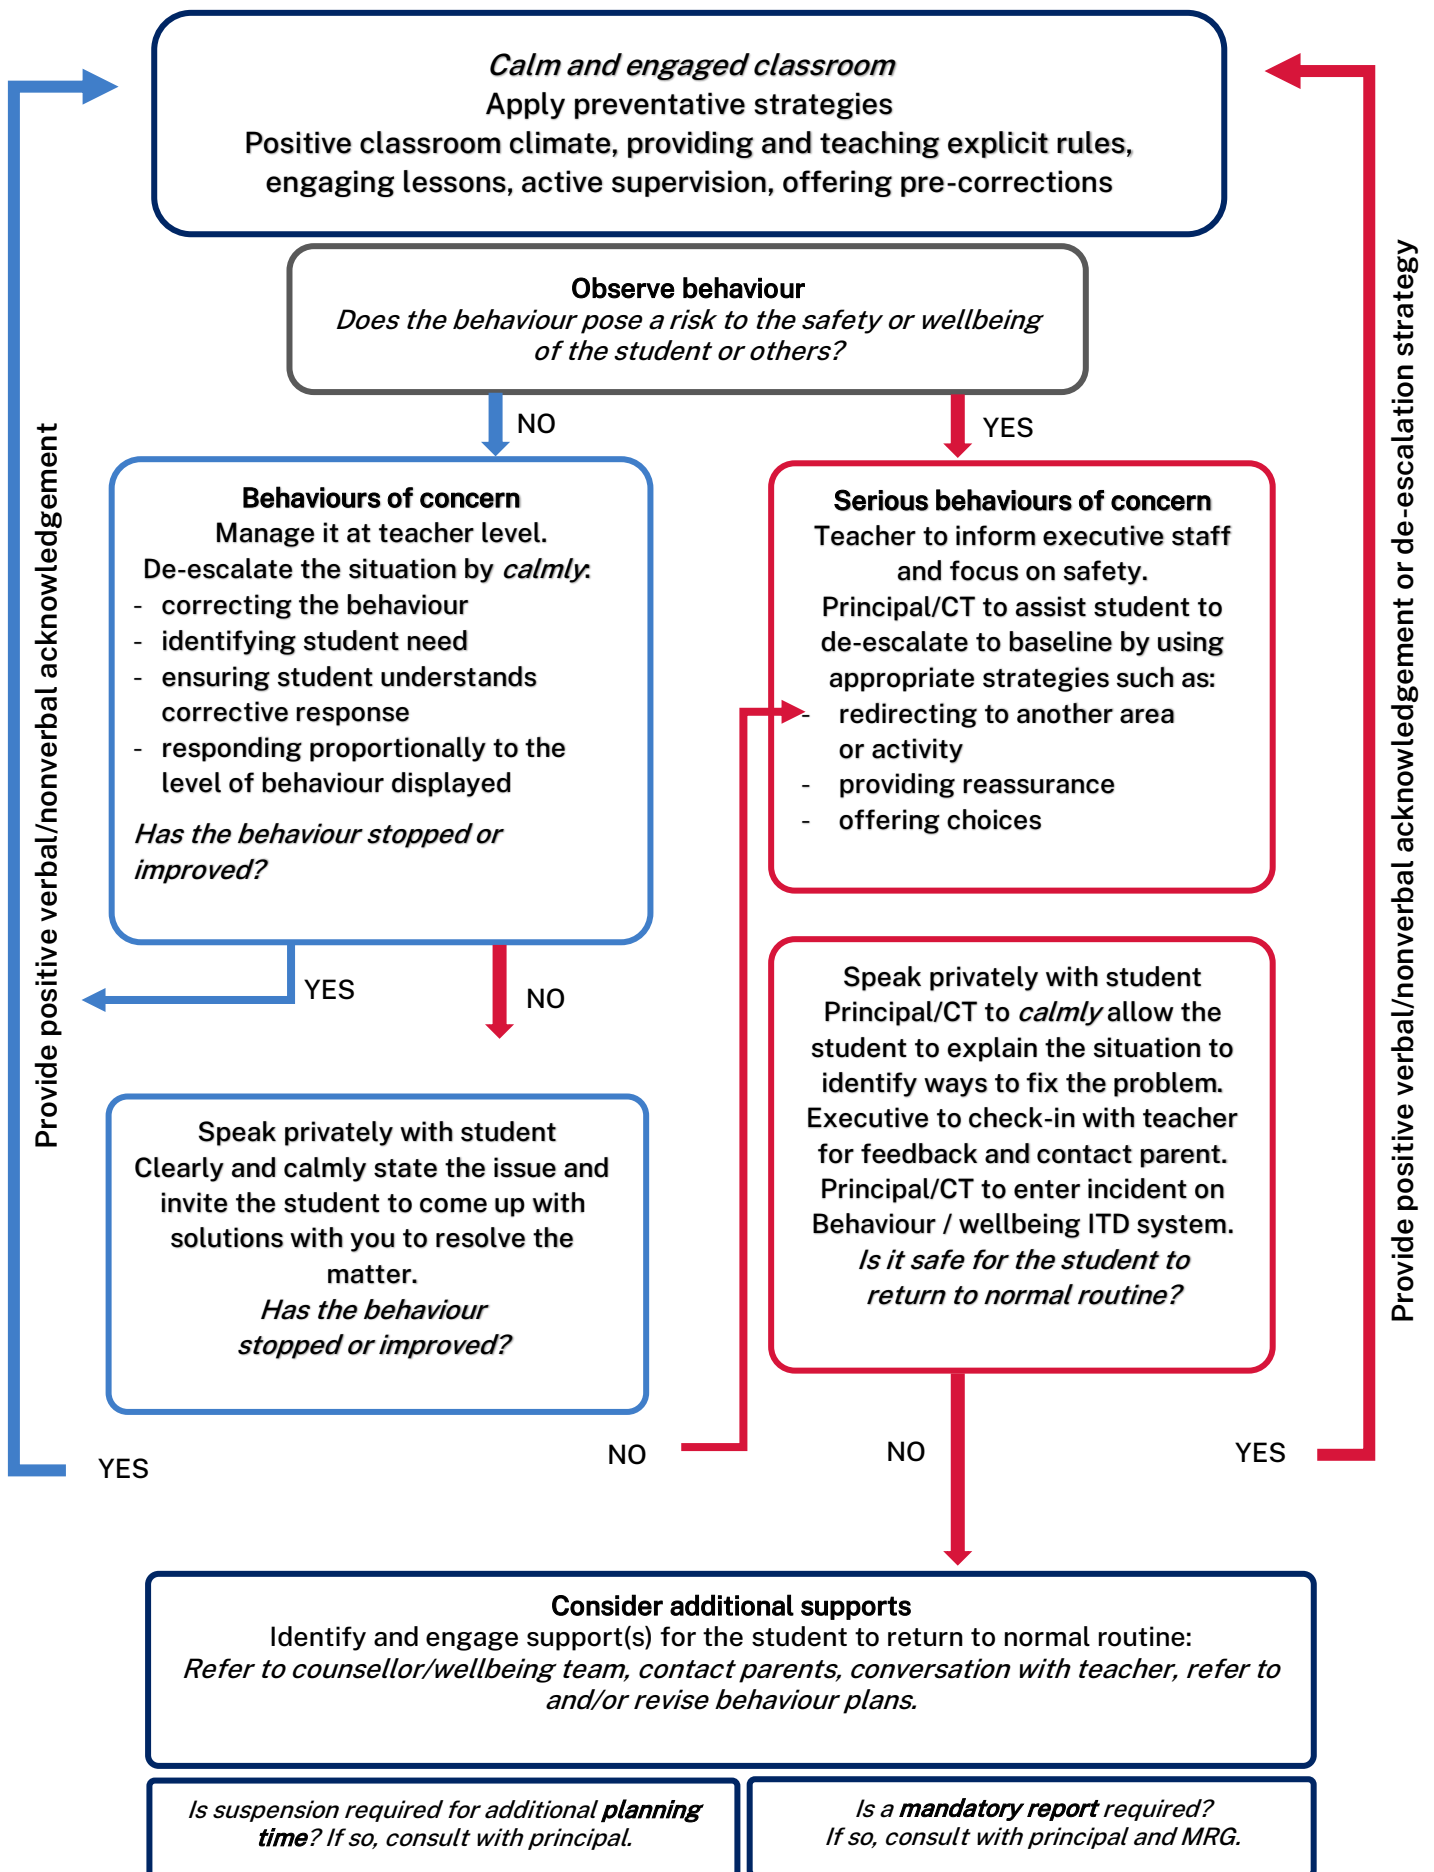

Action	When and how long?	Who coordinates?	How are these recorded?
Reflection conversation (problem-solving) – What happened, what did you do, and what could you do instead next time.	Class time and break times as required	Teacher/principal	Documented in school record system

Appendix 1: Behaviour management flowchart (Alternative example)

Appendix 2: Bullying Response Flowchart (Optional)

The following flowchart explains the actions Red Range Public School staff will take when they receive a report about student bullying, including bullying which may have occurred online or outside of the school setting. The timeframes will vary depending on the professional judgment of staff who receive the bullying complaint and their assessment of immediate risk to student/s.
