My new school

Regents Park Public School

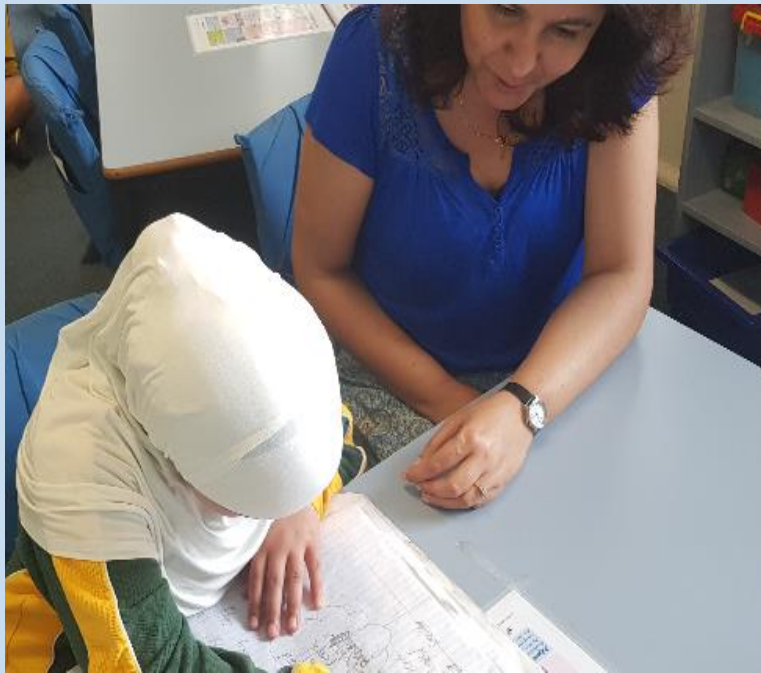

This is my new school. It is called Regents Park Public School.

This is the gate where I go into my school.

My teacher and the other teachers will look after me while I am at school.
I can ask the teachers to help me if I need help. The teachers care about me and like to know about me.

I will have a lot of fun at school and learn a lot of things. I might see some old friends there and make some new friends.

Sometimes I might miss my family while I am at school. Some children might even cry a little bit because they miss their family, but the teachers will help them to feel better.

I wear my uniform to school. I wear my hat outside to protect me from the sun.

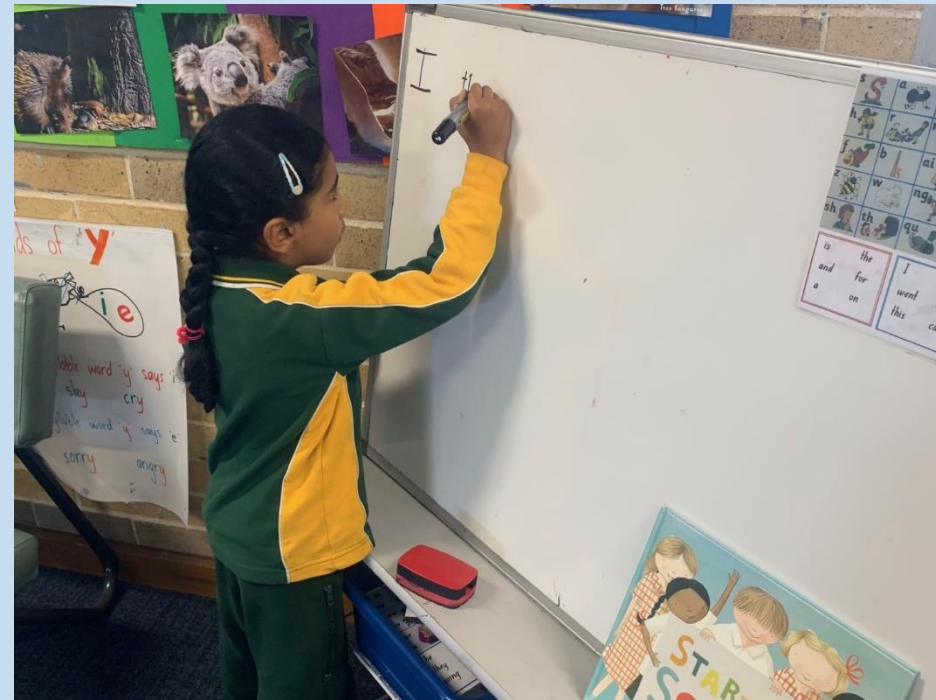

I have a school bag with my morning tea, lunch, and drinks inside. My name is on everything. This is where I put my bag when I am at school.

I eat my crunch'n'sip, lunch and recess at school. I eat healthy food to help me feel good and to grow strong.

This is my classroom where I have fun and learn with the other children in my class. I like learning the names of all the other children and they learn my name as well.

I know how to do a lot of things at school because I have done them before. I draw, paint, cut and paste, count, play, listen to stories and sing songs at school.

There are tables and chairs in the classroom and a mat where all the children can sit to listen to the teacher read us a story or to help us to learn new things. We learn about reading and writing and maths and lots of other things.

This is the playground. It is fun to talk and laugh and play with my friends in the playground at break times.

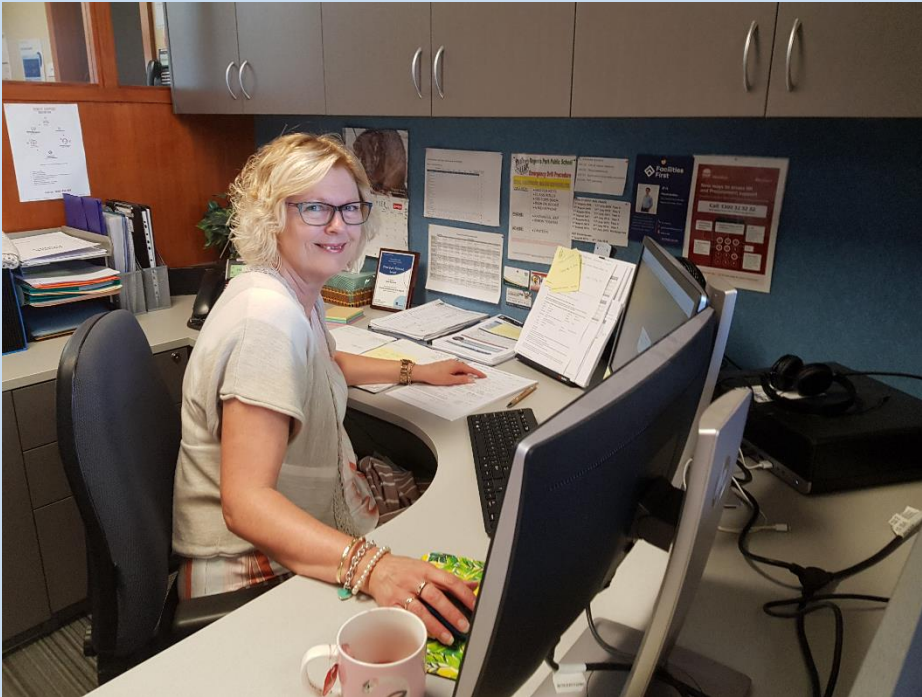

There are big kids at school. The children in Year 6 are the oldest in the school and they look really big. Sometimes some of these big kids can be your friend or buddy at school and help you and play with you.

Another thing that you need to know is that there are school days, and weekends and holidays. Monday, Tuesday, Wednesday, Thursday and Friday are school days and Saturday and Sunday are the weekend days. You don't go to school on the weekend or in the holidays.

This is the school office. Sometimes children take messages to the office ladies. There are lots of people who work in the office including the Principal, Ms Landon.

This is one of our office ladies, Ms Beckers.

Our Principal, Ms Landon working hard at her desk.

My school has a special room called a library with lots of wonderful books. I can take some books home in my library bag so my family can read them with me.

There are toilets and bubblers at my school. The teachers teach all the new children about where the toilets are and how to use them. I am glad about that because it is very important to know about the toilets. There are toilets for the boys and toilets for the girls. I always flush and wash my hands after I use the toilet.

All of the children have someone who picks them up after school. The teachers look after me until I am picked up. Some children might go home with their mum or dad or grandma or another person who looks after them. Some children might go to afterschool care and then get picked up from there and go home after that. Some children wait in the office and some children even go home on a bus.

When I am going home, I say goodbye and smile and wave to the teachers and the other children.
