From the Principal's Desk

Dear Parents and Carers,

As we approach the last few weeks of the term, I wanted to take a moment to reflect on the vibrant learning environment at our school. It has been inspiring to witness our students fully engage with their learning experiences and taking advantage of the enhanced opportunities available to them.

Our classrooms continue to buzz with activity, as teachers and students work collaboratively to explore new concepts and ideas. The dedication and enthusiasm shown by our students are commendable, and their commitment to learning is having a positive impact on their educational journey.

We are excited about our upcoming events and activities planned for the remainder of the term. These experiences are designed to enrich our students' learning and provide them with a well-rounded educational experience.

A reminder that we have announced the new Canteen Tender process to find an operator for our school canteen service. If you or someone you know is interested in this opportunity, please share the information and request a Tender Package for review and consideration. A copy of the Canteen Tender Package Information can be found in this newsletter.

Wearing the Correct Ringrose Public School Uniform Every Day

I want to take a moment to emphasise the importance of wearing the correct black shoes to school on Mondays through Wednesdays as part of our Ringrose School Uniform. This practice not only fosters a sense of pride among our students but also represents our school in the best possible light.

I am pleased to see that most of our student body is adhering to this. As a reminder, acceptable footwear includes all black sneakers and traditional leather shoes, provided they are entirely black.

High Potential Gifted Education – Parent/Carer Feedback Form

This week, we will be distributing the High Potential Gifted Education Parent/Carer Feedback Form to all families. This form provides you with an opportunity to share the strengths of your child that you have noticed. Your feedback is important to us and will help us respond appropriately to ensure we are providing opportunities for all students to thrive in various areas of their education. We value your insights and look forward to hearing from you. Thank you for your continued support in enhancing our educational programs and school experiences.

School and Student Achievements

· I am thrilled to extend my congratulations to our School Debating Team for their recent competition against Yowie Bay Public School. While we may not have secured a win this time, I want to commend our students for their hard work, dedication, and the valuable experience they gained. Participating in debates allows our students to develop essential skills, including critical thinking, public speaking, and teamwork. It is wonderful to see them embrace the challenges and intricacies of debating, and I am confident that these experiences will contribute to their growth as strong debaters in further opportunities.

· I am excited to share some fantastic news about one of our students, Paul, who represented our school at the Regional Soccer Competition Day. Paul was selected to be part of the zone team from Parramatta and Merrylands, and I am proud to announce that they achieved a strong second place in the competition. This is a remarkable accomplishment, and we commend Paul for his dedication, teamwork, and sportsmanship throughout the event. His hard work and commitment to the sport have truly paid off, and we are thrilled to celebrate this achievement with him. Congratulations, Paul, on this great achievement! We are proud of you and look forward to seeing your continued success in the future.

· I am pleased to share that our school's Zone Cross Country team was exceptionally well represented at the recent competition. A special congratulations goes to Theo and Ibrahim, who have earned the opportunity to represent our Zone at the upcoming Regional Cross Country Carnival! This is a tremendous achievement, and we are incredibly proud of their hard work, dedication, and sportsmanship. We wish both boys the best of luck as they take on this exciting challenge.

· I am excited to share some wonderful news about our students who participated in the Local Multicultural Perspectives Public Speaking Competition. Congratulations to Ella, Oscar, Annalise, and Mia for competing and representing our school so proudly! I would like to give a special mention to Annalise, who was awarded the Highly Commended Award. This is a fantastic achievement, and we are incredibly proud of her accomplishment.

Important Message on Cyber Safety

We want to remind you about the importance of cyber safety and keeping your children safe online. Please be aware of the interactions your child has with others online after school. Utilise parental controls to help keep them safe and remember that most chat apps are recommended for ages 13 and up. If any online issues arise that relate to school, we follow clear procedures, including our Ringrose Public School Behaviour Support and Management Plan and the departments Expulsion and Suspension Policy. If you have concerns, please contact Mrs. Zugna (Deputy Principal) or me so we can address them promptly.

Our message is clear: cyberbullying is not acceptable at Ringrose Public School.

Lastly, as we approach the final weeks of the term, I want to remind everyone that this is a busy time filled with engaging opportunities for our students. It is important for you to be aware of all relevant details to ensure your child can fully participate and benefit from these experiences.

Let's work together to finish the term strongly and proudly!

Thank you for your continued support

Yours sincerely,

Mr Loughhead

Dear Parents and Carers,

Semester One Reports and Parent Teacher Interviews

This term teachers have been writing the Semester 1 reports, which will be made available via the School Bytes App from Friday 27 June 3pm. We will not be sending home a printed copy this year, however if you would like a printed copy, please email the school so we can arrange this for you.

These reports are a comprehensive evaluation of your child's academic performance, effort, and growth throughout the semester. They provide valuable insights into their achievements, strengths, and areas for further development. Students who also receive additional support from our specialised English as an additional language/dialect teachers will also receive an additional report on the progress they have made with this support. These EAL/D reports will be emailed on Friday 27 June.

I encourage you to take the time to carefully review the reports with your child. This is a wonderful opportunity to celebrate their successes and acknowledge their hard work.

Remember, these reports are not meant to be a judgment or final assessment but rather a snapshot of your child's progress at this point in time. We believe in the power of growth and continuous improvement, and we are committed to working collaboratively with you and your child to ensure their ongoing success.

Coming up in Week 10 we have the parent-teacher interviews which have been scheduled for Tuesday 1 July and Wednesday 2 July. This would be a perfect opportunity to meet with your child's classroom teacher and discuss any questions or concerns regarding the reports or your child's academic journey. The notes regarding parent teacher interviews were pushed out through School Bytes last week. Please ensure you refer to this notification for details around how to book in a time with your child's classroom teacher.

We believe that strong partnerships between parents and teachers contribute significantly to a student's success. By working together, we can ensure that your child receives the support and guidance they need to thrive academically, emotionally, and socially.

As always if you have any questions, please feel free to see me.

CLASSROOM ANNOUNCEMENT

Hi all!

Roy Ringrose here, this week, I had the pleasure of checking in on the amazing young authors of 5/6S—and let me tell you, they have been hard at work!

The students have been diving deep into the Seven Steps to Writing Success program, developing their writing skills with creativity, confidence, and focus. With pens flying and ideas flowing, it's clear they've been putting in some serious effort.

Curious to see their progress, I may have accidentally stumbled into Mr Stuccio's Google Classroom... and what I found was too good not to share!

Check out the next page to see some of the brilliant writing from 5/6S—it's well worth the read!

As I had got to the kitchen, I suddenly heard a "CRASH!" Shivers ran down my spine. Adrenaline hit me, I ran and ran all I saw was the hallway ahead of me. I kept running, I couldn't breath but I didn't care. My body suddenly collapsed. If only I had never done the dare my friends forced me to do.

This man is a mean man.
He is always grumpy and also and angry.

I kept rowing the boat, trying to find land. When I saw hints of green I thought I was hallucinating until I saw towers. I pointed at it and I thought we were safe until I saw fins circling us.

From the Sports desk

On Wednesday 4th June, students aged 8-12 who were successful in getting the first 4 places in our school Cross Country in Term 1 attended the Zone Cross Country at Greystanes Sportsground. Despite the freezing cold temperatures and the constant rain that morning, the students soldiered on and showed their resilience, still giving their best efforts. Luckily, the sun came out in the afternoon, helping to warm us up.

Congratulations to Ibrahim, who came 4th, and Theo, who came 6th, in their age groups. They will now be going to the Regional Cross Country. Well done, boys! Best of luck!

Congratulations, also, to Viktorija, who came 10th, and Alexander, who came 11th, in their age groups. They will be reserves for the Regional Cross Country. Amazing effort, guys!

Thank you to Mr Tom, who was there early to help Mrs Ellington and Mrs Holloway set up a gazebo and mat for the students to shelter for the day.

A very special thank you to the Nash family for bringing an extra-large gazebo and sharing it with us. We really appreciated having the extra space to shelter under in the pouring rain.

Overall, it was a great day, despite the weather. All students proudly represented Ringrose Public School.

Outstanding Achievement in Boys Football

Congratulations to Paul in Year 6 for being selected to represent the Merrylands Parramatta Zone Boys Football (Soccer) team! Paul was one of just 12 boys chosen from a pool of 60 talented players—an incredible achievement in itself.

Yesterday, Paul proudly represented the team in the zone competition, where they displayed excellent teamwork, determination, and skill. The Merrylands Parramatta Zone team finished in **second place overall**, a fantastic result for the boys and a proud moment for our school community.

Well done, Paul, on your commitment and sportsmanship. We are all very proud of you!
