From the Principal's Desk

Dear Parents and Carers,

We are powering into Term 4 with many events and activities, alongside a strong focus on student learning to ensure Ringrose is a school where lives are positively transformed and inspired through education. It's going to be a busy term, and we look to our fabulous Ringrose families to support our initiatives, as we maintain high expectations, so every student is fully engaged and empowered to achieve their best over the course of this Term.

Whole School Messages

Canteen Reminders - Our new canteen team has started, and we like the new service they bring to our school. As we get used to the canteen rules, we ask parents and carers to help by:

- Sending no more than \$5 with your child for recess and lunch. This should be enough to buy many tasty food items;
- Making sure your child only buys food for themselves as some students have allergies;
- Reminding your child to go to the canteen only once during break time and to know what they want to buy before they go—talking about the menu with them the night before can help; and
- Ordering lunch online using the Flexischools app.

We'll continue to test and refine our canteen procedures so that we ensure it's a great experience for our boys and girls and families.

School Disco - I want to pass on my sincere thanks to our active Parent's and Citizen's Association (P&C) for organising and coordinating our end of Term 3 School Disco. It was a great success and our boys and girls thoroughly enjoyed themselves.

Student and School Successes

Gold Gold Gold! - Congratulations to all our recent Gold Award winners – we are very proud of you and it's wonderful to see your hard work at school being recognised and rewarded.

Jai – Pulse Dance Ensemble – Congratulations to Jai who has successfully auditioned and selected to be part of the 2026 PULSE Concert Performing Dance Ensemble. What a fantastic accomplishment! We look forward to this performance next year!

Stage 3 Camp - Well done to all students who attended the Stage 3 Camp for Sport and Recreation at Narrabeen. We have received fantastic reports from the camp organisers about high levels of participation and excellent behaviour. The camp was full of great activities that everyone enjoyed.

Upcoming Events and Activities

Getting ready for 2026 Kindergarten – We are putting together the list of children who will start Kindergarten in 2026. This helps us plan classes and our upcoming Kickstart Orientation Program. If you haven't completed the online enrolment form, for your child yet, or know someone who hasn't, please do it soon so you don't miss any important news. Our friendly office staff can help if you need it. We are excited to welcome our new Kindergarten children and help them have a great start to big school!

Parent and Carer CyberSafety Workshop – ThinkUKnow - Senior Constable Tonkin the Youth Liaison Officer from NSW Police will present a Cybersafety session on 6 November at 9:30 am in our school library to help families understand how to keep your children safe online. **I strongly encourage** all families to attend this important session to learn more about the risks of low supervision and how to protect our boys and girls from harm; more details are in this newsletter.

It is an exciting term ahead, full of strong learning and growth in student achievement. I look forward to continuing to watch the progress of our boys and girls, which will be reflected in the Semester 2 Student Reports coming later in the year.

Yours sincerely,

Mr Loughhead

(Principal)

From the Deputy Principal's Desk

Dear Parents and Carers,

Welcome back to Term 4! I hope everyone enjoyed a restful break. It's wonderful to see all the students back, eager for an exciting and busy start to the term. We have lots of events and opportunities planned, and we're looking forward to experiencing them together.

We recognise that this time of year can sometimes bring financial pressures, especially with notes and payment requests for various activities coming home. Please remember that support is available. If you're facing any difficulties, don't hesitate to get in touch. You're welcome to speak with Mr. Loughhead or myself about any concerns.

Road Safety Message

You may have noticed a few messages about road safety last term. At Ringrose, we understand the importance of keeping our students safe around roads. As a result, this term all our students will participate in road safety lessons over the next few weeks.

These lessons will be delivered by our RFF teachers: Mrs Semaan, Mr Leaver, and Mrs Chehine Karam.

Since primary-aged children are still developing their understanding of danger and safety, we want to equip them with as much knowledge as possible to help them appreciate the importance of road safety.

However, it is important to remember that an adult must always be responsible for supervising your child in the traffic environment.

The following pages contain the key road safety messages our students are learning at school, and families can support by reinforcing these important lessons at home.

Thank you for helping us keep our students safe!

As always if you have any questions, please feel free to see me.

Roy Ringrose visit to 3/4V

Hi there Ringrose!

Wow, what an incredible Term 3 it was for the amazing PAX Leaders of 3/4V! I had an absolute blast visiting my friends in their classroom, and they couldn't wait to share all the fun, exciting things they had been up to. I learned so much from them and was blown away by their knowledge, creativity, and teamwork.

One of their favourite learning memories was diving into the world of the **Tasmanian Tiger**. Did you know its scientific name is *Thylacine*? How cool is that! 3/4V told me everything about how the Tasmanian Tiger was named, why it was extinct, and even how the government tried to save it (but sadly, a little too late).

They also wowed me with their work on saving sea turtles. They created brilliant **podcasts and Canva projects** to convince people to protect these amazing creatures. Did you know sea turtles sometimes mistake plastic bags for jellyfish? That's why it's so important we don't litter. Thanks to 3/4V, I'm now even more determined to help keep our oceans clean! And that's not all—3/4V also used Canva to publish their hilarious limericks! I had such a good laugh reading their poems; they were clever, creative, and full of humour. This class really knows how to entertain while they learn.

The students proudly showed me their **broad bean plants**, which are growing so tall they're nearly out of the cups. Their teamwork has really paid off! In Maths, they amazed me with their **digital angle faces** using iPad Geoboards. They could name and explain all the angles they used. So clever and so tech-savvy!

And let's not forget about sports! 3/4V had the incredible opportunity to take part in the **NRL League Stars program**, where they learned rugby league skills while also building teamwork, collaboration, and respect. The highlight? Meeting the famous **Parramatta Eels Women's team players**. How awesome is that!

Of course, one of the most exciting moments this year was the **Colour Run!** Wow, did we have fun. Bright colours flying everywhere, laughter echoing across the playground, and everyone joining in with huge smiles. It was a celebration of energy, joy, and community spirit. I don't think I've ever seen so many happy, colourful faces in one place!

Then came **Jersey Day**, and what a hilarious sight that was! Miss Valenti turned up proudly wearing her **Parramatta Eels jersey**, only to find herself completely **outnumbered by Bulldogs supporters** in her own class. She looked so confused, and 3/4V couldn't stop giggling. It was all in good fun, and the room was full of team spirit, friendly banter, and lots of laughs. I even had to chuckle at her "Eels vs Bulldogs showdown"!

I absolutely love visiting my friends in 3/4V. They are true PAX Leaders, always showing PAX quiet and PAX voices, and being fantastic role models for the younger students.

Thank you, 3/4V, for welcoming me into your classroom and sharing your knowledge, hard work, and enthusiasm this term. I can't wait to visit again soon—keep being amazing!

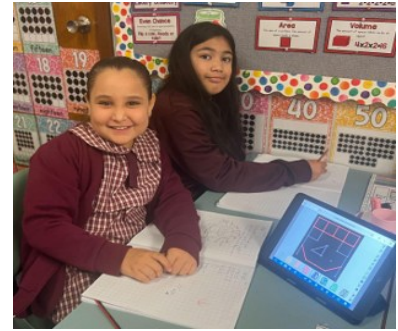

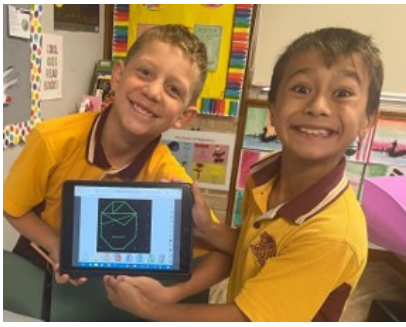

Bye for now—From Roy

Adventures at Narrabeen!

DAY 1 HIGHLIGHTS
AFTER SETTLING IN,
STUDENTS RECHARGED WITH
A DELICIOUS LUNCH BEFORE
JUMPING STRAIGHT INTO
THEIR FIRST ACTIVITY —
INITIATIVE AND PROBLEM
SOLVING!

IT WAS FANTASTIC TO SEE
TEAMWORK, CREATIVITY, AND
PROBLEM-SOLVING SKILLS ON
FULL DISPLAY AS GROUPS
WORKED TOGETHER TO
CONQUER EACH CHALLENGE.

Day 2 Adventures

The campers kicked off their morning with a hearty breakfast of hash browns, spaghetti, and toast — the perfect fuel for a day of excitement! 🍳

Activities included abseiling, scooters, and archery, with 5/6S bravely conquering their fear of heights, 5/6M showing off their sporting skills, and 5/6A and 4/5M putting their minds to the test in initiative games.

The evening wrapped up with Final Night Activities, featuring teamwork challenges and station games that brought plenty of laughs and friendly competition. After all the fun, it was lights out early to rest up for the last day.

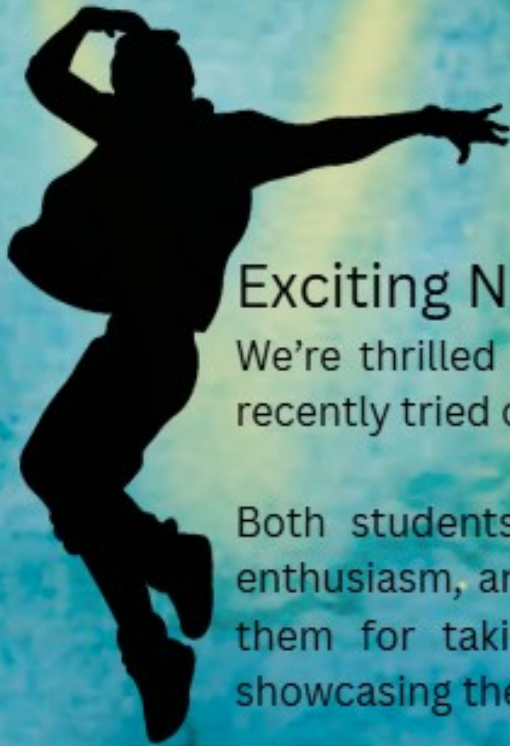

Final Day Fun

On the final morning, our campers laced up their walking shoes for one last hike!

5/6S and 5/6M collected twigs and other resources to cook their damper at the top, showing persistence and teamwork all the way.

After a final round of morning activities and one last meal together, students packed up and prepared for the journey home — tired but full of amazing memories from a truly unforgettable camp experience.

Dance Troupe

Exciting News for the Dance Troupe!

We're thrilled to share the news that Jai and Talia recently tried out for the Pulse Alive Dance Company.

Both students represented our school with pride, enthusiasm, and incredible talent. We're so proud of them for taking on this exciting opportunity and showcasing their passion for dance!

Jai has successfully made it into the company and will be performing front and centre at the 2026 Pulse Alive concert in March next year!

ThinkUKnow Information Session

Parents and Carers are Invited

ThinkUKnow is inviting parents and carers to Ringrose Public School on Thursday, November 6 at 9:30am for an important, evidence-based information session about what young people see, say and do online. The presentation, delivered by Senior Constable/ Youth Officer Dean Tonkin, will explore common online behaviours and risks, highlight challenges young people may face, and share up-to-date research alongside real case studies to illustrate how these issues play out in everyday life. Parents and carers will leave with practical recommendations on how to report harmful content, where to get help, and how to support their child's online safety and wellbeing at home. This session is designed to equip parents and carers with clear, actionable steps and resources to confidently navigate conversations about the digital world. If you want to attend this session, please RSVP via the QR code on the invitation, email the school or call the front office. Further details or queries please contact Mrs Krumins-Strauss. Please note unfortunately due to the presented content and no toddler care arrangements. The workshop is strictly for Parents And Carers only.
