RESPECT FOR ALL

The Weekly Rowy Rag

INSIDE THIS WEEK'S ISSUE:

Week 3 has been full of birthdays, cricket, rain and plenty of learning. A few have been out due to rain and we hope to see you all soon. We hope harvest is going well and that everyone is getting some sleep. Keep those healthy lunchboxes coming too!!!!

K/1/2

We have been reading every single day and going through our sounds. In Science, we have been learning about energy and how sound travels in tiny waves.

3/4/5

We have been looking at fact families and how to add and subtract fractions. The class has also explored latitude and how climates change depending on your distance from the equator.

The School:

We were lucky to have an NRL resilience session! Sadly cricket training was washed out (sorry Hugh). Our brass band is coming along and guitar groups start this week. Keep up the amazing work team!
