Last day of Term 3Tuesday October 14
First Day of Term 4**Principal's Message**

Hello to our wonderful Seaham community and welcome to week seven. We hope you have had a fantastic week. Thank you to our wonderful P&C for running our Father's Day stall today. Our community really appreciates it.

I would like to wish all fathers, carers and significant people in our student's life a wonderful father's day on Sunday. We hope you take the chance to enjoy some wonderful family time.

Showcase - I had the pleasure of attending Showcase at Hunter River High School last night. Lexi and Jaxson performed and did an outstanding job. For those families interested, the new facilities at Hunter River High are amazing. We are so lucky that Hunter River High School is our partner high school. Our students deserve the best education and best facilities. Students attending Hunter River High School certainly get that.

Morning Supervision - Please remember that student supervision commences from 8.30am. We have a growing number of students arriving close to 8am. For your child's safety please ensure they arrive at school after 8.30am.

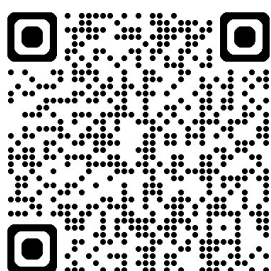

Parent/Carer Feedback - We are seeking feedback on how we manage behaviour at Seaham Public School. Please access a quick survey through the QR code below.

Community PBL - This week's community PBL recipient is Mia Nesbitt. Mia is consistently a respectful, responsible learner. Well done Mia.

Uniform Update

The uniform cupboard is now fully restocked. If you are still missing anything from your order please contact Kim Penfold.

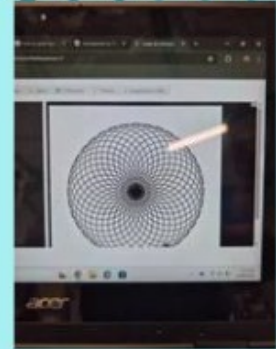

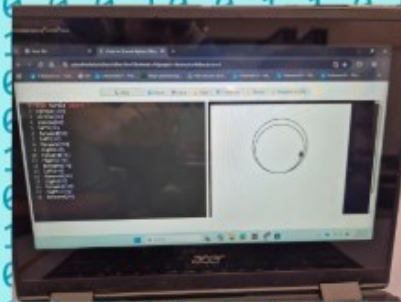

Please use the below QR code to complete our Parent/Career survey

**Mia Nesbitt**

Mia is an exceptional school citizen who exemplifies the Seaham PBL values of being a respectful, responsible learner. Mia is a caring student who looks out for others. The respect she shows teachers, staff and other students is a credit to her and her family.

CODING IN 5/6 B

Over the past two weeks, students in 5/6B have begun learning basic coding skills. They have been using a program called Turtle Graphics to create a variety of shapes and patterns.

Students have explored different coding instructions, allowing them to add more detail to their designs and make their creations more efficient and visually interesting.

Due to enrolled children's life threatening Anaphylactic Allergic reactions to all nuts and peanut products, we would like to encourage families not to send these products to school. with their children. These include peanut butter, nutella, sesame seeds, loose nuts, muesli, nut or chocolate bars or any products containing any type of nuts. We appreciate your support in this matter.

Our canteen is always needing volunteers. If you have any spare time and would like to help, please log in to **school 24** and follow the prompts.
