 Year 6 Farewell

Principal's Message

Hello to our wonderful Seaham community and welcome to week nine. Almost the end of a busy term, but what a fantastic term it has been. Our students have shone in so many ways this term, not just at school but outside as well.

I had the pleasure of attending the 'Deadly Awards' at Murrook last night. Congratulations to Cosiema, Max and Jaxson for receiving 'Love of Learning' awards and Darby for her positive influence on Aboriginal culture at Seaham PS as the President of the Junior AECG. Mr Eagleton received a staff award for his contribution in supporting processes that improve outcomes for our students. Well done to all.

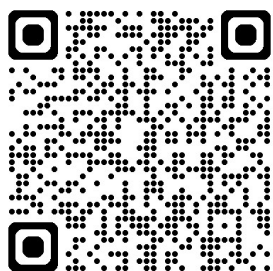

Film By the Waters (FBTW) - On Tuesday I attended the final red carpet event for the FBTW. Well done Mrs Granale and students Marley, Meredith, Chloe, Amy, Lexi, Indiana, Madison, Laura, Sophie T and Olive. Their short film 'The Light' was exceptional. All did an outstanding job and should be congratulated on the process and the finished product.

Parent Feedback - Just a reminder about the opportunity for our community to have their say about our PBL passport/badge process and how we support positive behaviour at Seaham, specifically our reflection room.

Community PBL - Congratulations Bailey Frazer on being our community PBL award winner this week. Bailey is an exceptional school citizen who always follows school rules. Well done Bailey.

Parent Feedback

We are seeking feedback on how we manage behaviour at Seaham Public School. Please access a quick survey through the QR code below.

Bailey Frazer

Bailey is an exceptional school citizen always upholding Seaham PBL values of being a respectful, responsible learner. Bailey displays wonderful manners in all areas and is a kind friend to all. He can always be relied upon to be in the right place at the right time, always giving his best.

Film by the Water

10 Students from Seaham Public were chosen to participate in a Film making workshop presented by the Department of Education Arts Unit held at Irrawang High School. During the workshop students made, created, and learned new filmmaking skills. The workshop covered a variety of different topics, including the use of the camera, sound and story. The students used these new skills to write and film a short movie which was showcased at Scotty's Cinema Raymond Terrace.

Tuesday 16th of September 10 students went off to view their movie 'The Light' and 16 other movies from Port Stephens Schools. All of them were really good and 5 students and their family got invited to the red carpet event later that afternoon. We all had a lot of fun filming our movie and working as a team to see it on the Big Screen.

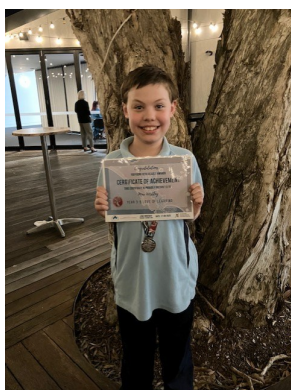

Olive & Indi.

Deadly Awards

Last night the Deadly Awards were hosted in Murrook. I received an award for a category 'Love of Learning'. I got a medal with my name on it and a certificate. There was a lot of school there and it was really fun.

Jaxson Renshaw,

FISHING WORKSHOPS
