Principal's Message

Whole School Reward – Seaham Celebration!
Our students have been working hard earning their treasure tokens and building towards a whole school reward. After casting their votes, students chose a mufti day with each class enjoying an afternoon activity of their choice. When: Friday 13th We are really looking forward to celebrating this achievement together and recognising the positive choices students make every day.

Morning Supervision Reminder
Just a friendly reminder that students are supervised from 8:30am each morning. There is no formal supervision before this time, so we ask families to ensure children arrive from 8:30am onwards. Our priority is always student safety and we appreciate your support in helping us maintain safe routines before school.

Attendance Matters
Regular attendance plays an important role in student learning and wellbeing. Being at school each day helps students stay connected with their learning, their teachers and their friends.

Thank you to our whole school community for supporting positive attendance. Each day we review our attendance percentages and over the past few weeks our attendance rate has been around the 95% mark, which is a fantastic effort. Your ongoing support helps ensure students are ready to learn each day.

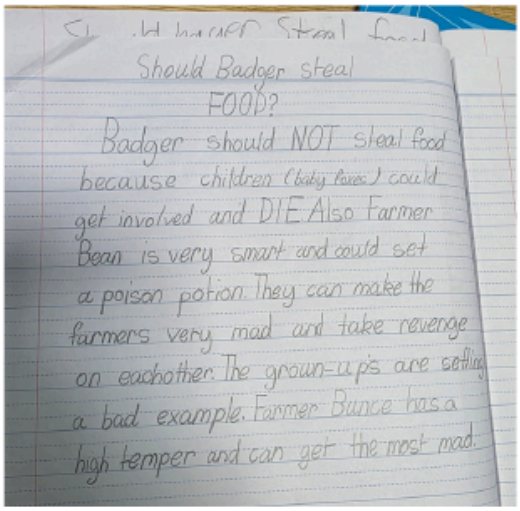
Class Focus - 2/3B

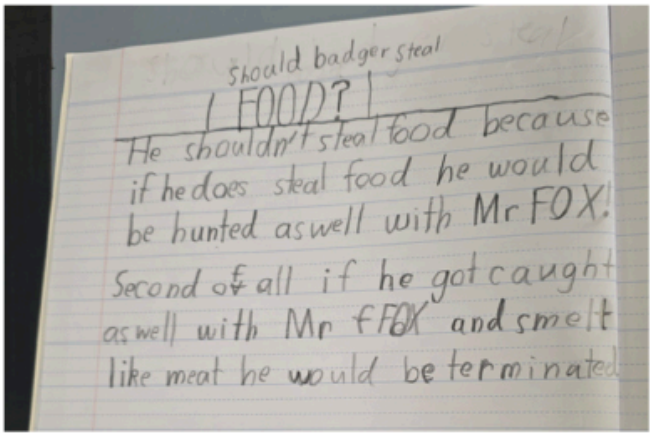
2/3B AND BADGER'S MORAL DILEMMA....

This week in English, while we were reading Fantastic Mr Fox, we came upon a moral dilemma for one of the characters.



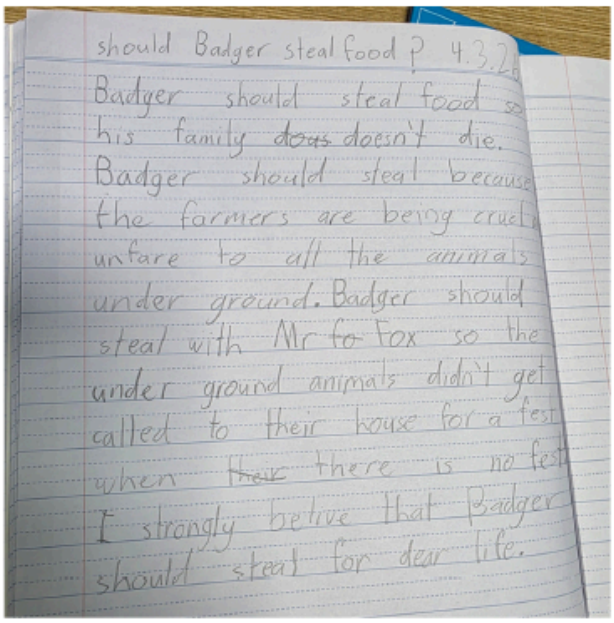
Should Badger steal FOOD?

Badger should NOT steal food because children (baby foxes) could get involved and DIE Also Farmer Bean is very smart and could set a poison potion They can make the farmers very mad and take revenge on eachother The grown-up's are setting a bad example. Farmer Bunce has a high temper and can get the most mad.



Should badger steal FOOD?

He shouldn't steal food because if he does steal food he would be hunted aswell with Mr FOX! Second of all if he got caught aswell with Mr FOX and smelt like meat he would be terminated



should Badger steal food ? 4.3.2

Badger should steal food so his family ~~dous~~ doesn't die. Badger should steal because the farmers are being cruel unfare to all the animals under ground. Badger should steal with Mr ~~fo~~ Fox so the under ground animals didn't get called to their house for a fest when ~~their~~ there is no fest I strongly belive that Badger should steal for dear life.

Together we talked about the moral dilemma Badger faces in the story (the decision to steal from the farmers to protect and care for his family OR to not steal and potentially let his family go hungry).

Each learner then chose one side of the argument and wrote a persuasive paragraph trying to convince the reader to agree with them.

WHAT WOULD YOU DO IF YOU WERE IN BADGER'S SITUATION?
