Principal's Message

Hello to our wonderful Seaham community and welcome to week two. Thank you to staff, students, parents and carers for making my return such a positive one. I have really appreciated the well wishes and have been overwhelmed with the care and support shown by the whole community. I am very lucky to be the Principal of Seaham Public School.

ANZAC Service - It was wonderful to see so many community members and Seaham students at the Seaham ANZAC service last Saturday. The respect and spirit amongst our students and families seems to grow each year. Thank you to those students who attended and marched. Also a special mention to our school leaders. Toby and Phoebe did an outstanding job reading prayers for the service and Dawson prepared and presented a speech on a Seaham soldier who was involved in World War 1. Great job Dawson. Thank you also to Sophie who laid the wreath. Thank you to those community members who were able to attend our school service today. Thank you to Alan Earle who organised the community service and for his support of our school service each year. We really appreciate it.

Community PBL - Today we acknowledge our first Community PBL recipient at Raymond Terrace Marketplace. Congratulations Eric.
Our week three recipient is Eagan Rudd. Eagan consistently supports others in all areas and was spotted teaching another student how to tie up their shoelaces.
We are lucky to have Eagan in our school.

Zone Netball

On Tuesday, 5 of our students attended the Zone Netball at Maitland Basketball Stadium.

Congratulations to Phoebe, Amber, Kate & Sophie who have made it through to the Hunter Trials and to Marley who made it to the possible & probables.

Well done, we are very proud of your efforts!

Eagan is a wonderful school citizen who is respectful and responsible. He consistently supports and includes other students during play time and in the classroom. Recently he gave up time in the playground teaching another student how to tie up his shoe laces.

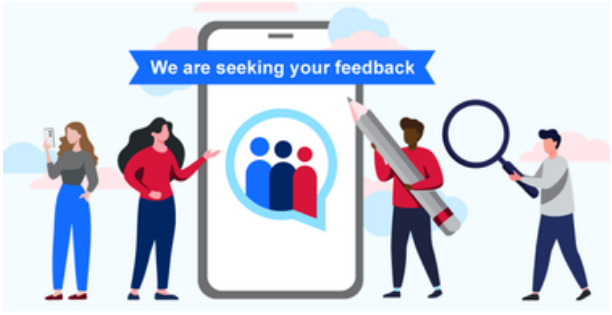
Parent Survey

In Term 2, we are inviting parents and carers to participate in the NSW Public Schools Parent Survey. The survey gives you the opportunity to share your experience at our school, including communication, inclusion, wellbeing and how your child's learning is supported.

Hearing directly from our parents and carers will help us understand what's working well and where improvements can be made. Participation in the survey is optional, your responses are anonymous, and it takes around 10 to 15 minutes to complete. You can access at the survey with the QR code (school code: 3048)

Further information about the NPSS Parent Survey is available at https://education.nsw.gov.au/npss.



The survey is open until 1/7/2026
