Principal's Message

Hello to our wonderful Seaham community and welcome to week five. We hope you have had an outstanding week. Thank you to those community members who were able to attend our whole school assembly today. Thank you to 3/4B for entertaining us with a wonderful item. We love how you integrated technology into your presentation, bringing your learning to life.

Lion's Club Public Speaking -What a wonderful evening last night for our students who were selected to speak at the Lion's Club Public Speaking event. Well done Hudson, Elon and Eric who attended, unfortunately Amber was unable to attend. All did an amazing job. Congratulations to Hudson and Eric who were the S2 and S3 champions on the night. We welcomed Mr Goldthorpe to school this morning who announced their success. What an achievement.

Attendance -We have some tummy bugs going around at the moment which has affected our attendance. We strive for 90% or above attendance each day. Hudson, Obie and Dawson have been thinking of ways to improve our attendance. Last Friday they helped organise a brekky club. This Friday they are running some playground games. Two fun ways to get more students to school on Fridays. Data shows us that Friday is the day where we consistently have the lowest attendance.

Community PBL -Congratulations Tayte, who is our community PBL award recipient for this week. Please see the attached reason and photo.

Brekky Club

Tayte has been observed going above and beyond in supporting staff at Seaham Public School. He regularly organises equipment, puts things away and checks that resources are ready for teachers to use. He does this without being asked and is becoming a very responsible member of the Seaham school community.

Sock Toss Challenge

You don't need expensive equipment to have fun!
Grab a few rolled-up socks and a laundry basket, bucket or cardboard box for an easy game the whole family can enjoy.

How to play:

- Place the basket a few metres away and take turns tossing the socks into the target.
- Make it more challenging by moving further back, standing on one foot or using your non-dominant hand.

This simple game helps children practise throwing skills, hand-eye coordination and balance—all while being active and having fun together!
