

SEFTON INFANTS NEWS

2025 TERM 3 WEEK 1

THIS WEEK ...

Term 3 Commences!

Welcome back for Term 3! We hope all of our families had a fun and restful break and are ready for a term of great learning adventures at Sefton Infants School. Best wishes for the term ahead!

Gymnastics School Sport Program

This term all of our students Preschool to Year 2 will be participating in gymnastics lessons as part of our weekly school sport program. Learning gymnastics has numerous benefits for students, including building self-confidence, body awareness and control, balance, strength and flexibility. Our gymnastics lessons will start **Wednesday 23 July** and will run for 8 weeks. The lessons will be led by a qualified 'Fit Futures' gymnastics instructor and facilitated, as well as supervised, by SIS teachers. Information about the payment for this program will be sent via School Bytes. The program has been subsidised by Sefton Infants School and an Australian Sporting Schools grant.

PRESCHOOL NEWS

This week (Wed 23 July and Thu 24 July) our preschoolers will be involved in important, parent consented Health and Development Checks as part of a special southwest Sydney Health initiative. Information from the checks will help with family and SIS preschool planning to ensure children's needs are met.

CROSS COUNTRY

Our postponed cross country will be taking place **12-1:30pm Thursday 24 July** at **Allder Park Rodd St** (weather and grounds permitting). Students wear their uniform and running shoes for this sport event. Parents/family members are invited as spectators and cheerers!
