Year 2 to Year 3 Transition

It is time for our wonderful Year 2 students to start getting ready for Year 3 at a new school site. Parents/carers **must** visit the school they wish to seek enrolment to complete application forms. Our Year 2 families will also receive a form via School Bytes to notify SIS of your child's Year 3 school. This will help us to plan important transition activities for your child. Please see the school office with any questions.
