

Sefton Infants School News

TERM 3 WEEK 6 – 2025

Father's Day Stall

SIS students can thank their dads by buying a special gift from our Father's Day Stall, taking place on **Friday 5 September 2025**. Great gifts will be available for \$5 or \$10. Students need to bring a shopping bag to carry their purchase. Money raised from the stall will help us buy new play equipment for SIS students. Thank you for your support.

Sefton Infants School

Working Together

Book Week Parade

Many thanks to our school community for your generous support of our recent Book Fair and for your attendance at our 2025 book character parade. The students looked fantastic in their costumes, bringing brightness and creativity to a grey and wet day! A huge thank you to Mrs Nicholls, our wonderful teacher-librarian, for organising our great Book Week activities and inspiring our love of books. The 'My Dream Adventure' competition winners will be announced this week. Keep on reading!

Save the date...

We are trying again with our 2025 Athletics Carnival. A new date has been booked for Field 4 Jim Ring Reserve **9:30am – 1pm Thursday 25 September 2025**. We are looking forward to having lots of fun with a day filled with races and field events. Families are welcome to join us as encouraging spectators. More information to come. Let's hope the weather is on our side this time!

TERM 3 WEEK 6 – 2025

Playgroup

Sefton Infants School hosts a playgroup for local children 0–5 years and their families **9:30am – 11am every Friday**. Playgroup offers a wonderful opportunity for your young child to develop new skills, as well as interact with other children. The adults can also network and interact in a friendly, relaxed atmosphere. All welcome! Call 9644 4079 for more information.

Field of Mars

K–2 students will be expanding their science learning with an excursion to the Field of Mars environmental Education Centre on **Tuesday 9 September 2025**. The excursion permission note will be available on School Bytes this week. It is going to be a day jam-packed with hands-on outdoor learning activities led by environmental experts. Find out more about Field of Mars: <https://fieldofmar-e.schools.nsw.gov.au/>
