SASS RECOGNITION WEEK 1-5 SEPT

Thank you to our amazing SASS!

This week is SASS (School Administration and Support Staff) Recognition Week. The Sefton Infants School SASS team is an amazing group of staff members who support the students, teachers and families in the office, classrooms, preschool, library and school grounds. They are all essential contributors to every school activity.

We are very blessed at Sefton Infants School to have such a committed, caring and efficient team of SASS. They go above and beyond their duties to ensure that our teachers are well supported and our students receive the best possible opportunities for learning. Sefton Infants and Preschool could not be as successful as it is without our superb SASS team!

On behalf of our entire school community, we would like to extend a huge thank you to each and every one of our SASS team members for the excellent work they do at Sefton Infants and Preschool every day.
