Sefton Infants School

Working Together

TERM 3 WEEK 9 - 2025

Marvellous Field of Mars

Our K-2 students had an incredible day of exploring and learning about living things at the Field of Mars Environmental Education Centre last week. We hope the students came home with lots of recounts of their learning adventures including bushwalking, exploring caves, building shelters with logs, creating habitats for animals and caring for our environment. We even brought some of the bee hotels we created back to Sefton Infants School to encourage native bees back into our school environment! Thanks a million to Ms Dulaurens for organising such a great excursion filled with excellent learning experiences about science and geography.

HIGHLIGHTS AND UPCOMING EVENTS

Athletics Carnival

The K-2 SIS Athletics Carnival is planned for 9:30-1pm **Thu 25 Sept 2025 at Jim Ring Reserve Birrong** (Gascoigne Rd). We are getting ready for lots of running races, field events and novelty races. Family members are welcome to cheer us on!

Book Club

A reminder that all students and their families can join us at Book Club **every Tuesday and Thursday morning** before school from 8:40am. This is a great way to start your day and further develop literacy skills with high quality literature shared.

Sporting Challenge

SIS students achieved Gold Level for their fantastic efforts with the 2025 NSW Premier's Sporting Challenge (PSC). All students have received their PSC Award. Thank you to our families who are continuing to encourage and support physical activity.
