Working Together

TERM 4 WEEK 4 - 2025

Sun Safety

This term in our health lessons, Sefton Infants School students are learning the importance of sun safety and how to protect themselves from the sun's harmful effects with shade, clothing, hats, sunglasses and sunscreen. The navy wide-brimmed hat is a vital part of our school uniform and needs to be worn by the students when they are outside. Our school follows a "No hat, no play" policy to ensure sun safety. This means students not wearing a hat are required to stay in a designated shaded area of the playground during play times. Children are encouraged to apply sunscreen before coming to school. Thank you for supporting our sun safe practices every day.
