

SEFTON INFANTS NEWS

2025 TERM 4 WEEK 6

GETTING READY FOR 2026

Our students and their families having a sense of belonging to our school community is very important to Sefton Infants School. This sense of belonging helps students thrive in their social interactions and their academic learning. To foster a sense of belonging, we are currently running several transition programs to welcome new students, as well prepare our graduating students for their next chapters in education.

Our preschoolers, enrolled for 2026 Sefton Infants School, have been engaging actively in a comprehensive school readiness program, including three big school visits per week until the end of the term. They are certainly ready for big school!

We are really enjoying getting to know our new 2026 Kindergarten students and showing them the ropes of big school as part of their orientation program with the final sessions taking place Week 6. This week, we are also looking forward to meeting our 2026 preschoolers and their families as they begin their orientation program.

In addition, our Year 2 students have been getting ready for their new primary schools by touring their new sites, participating in Year 3 lessons and making new friends at their local public schools.

HAPPY 50TH!

2025 marks Sefton Infants Preschool's 50th year of providing outstanding early childhood education. Join us to celebrate our preschool's 50th anniversary on **4-6pm Wednesday 26 November 2025**. All past and current preschool staff and students are cordially invited to this special occasion.

WITH GRATITUDE...

It takes many people to build our wonderful school community and help us with the daily operations of the school. Sefton Infants School is hosting a special afternoon tea **1-2pm Wed 3 December** to thank all of our wonderful parents and community members who have generously donated their time, skills and resources to help SIS staff and students. We invite all volunteers to join us for this special afternoon tea. Thank you so much for helping us in 2025.
