

Sefton Infants School News

Term 4 Week 7 - 2025

SEEKING YOUR FEEDBACK

Sefton Infants School is continually striving to further improve its programs and practices. We are seeking the valuable input of our parent/carers community in this process. We have developed a survey covering a range of school areas for you to provide your feedback. Please complete the simple online survey via the link below. Your responses remain confidential. Many thanks for your support.

PRESCHOOL 50TH

Calling all past and present Sefton Infants Preschool children and their families to join us in celebrating 50 incredible years of early childhood education at our wonderful preschool. Many of the previous teachers, educators and staff will be there, along with many memorabilia. Enjoy an informal afternoon tea as you relive your great memories of our fantastic preschool.

4-6pm Wednesday 26 November

SIS WEBSITE MAKEOVER

Our new website is now live!

Our updated website is now live - with a new look and easier ways to stay connected.

LIBRARY RETURNS

It is time for Sefton Infants School library to undertake its annual stock take. This means that student book borrowing is now finished for the school year. We kindly ask that all library books are returned to the school as soon as possible so that our amazing teacher-librarian, Mrs Nicholls, can count and classify our super book collections, ready for the new 2026 school year. Thanks for helping us with this stock take. We are looking forward to more incredible library reading adventures next year!
