Principal's Report

I am hoping your children have had a positive start to school and are enjoying their learning (with a bit of challenge), and the social and extra-curricular aspects of our school community. We have an exciting year ahead, and this term has some great opportunities for your children. Please ensure you have access to the Sentral Parent Portal, the school's Facebook page, and you are reading the newsletter every fortnight. The next Principal Blog will be published next Friday, and is about the primary curriculum.

Class teachers should have also sent home an information brochure over the past week, about what happens in your child's classroom across the week, and other exciting news for the year ahead. Please make sure this is handy, particularly for sports days and library days.

Our school website has been updated and has some new features, including the school virtual tour, which gives a great perspective of our school grounds and main buildings. The PBL Podcast that students and staff get to listen to, is now available on our website. From our website, go to the Learning and Support tab, Click on Wellbeing and scroll down past Mari to listen. [Wellbeing](#)

Parent Teacher Meet and Greet

Our Parent Teacher Meet and Greet days will be next Tuesday and Thursday, from 3:30-5:30pm in our school hall. Please make sure you book an appointment through the Sentral Parent Portal or call the administration office to make an appointment.

Music

Music lessons will begin in the school hall on Fridays. New players will need to please make sure you have returned your notes to the office.

Recorder Club: Learning the recorder is a great way to learn to read music and become familiar with the way you would play a flute, clarinet or saxophone. Students who tried out for an instrument and missed out due to us not having enough of the instrument that they applied for, are encouraged to join. Any student who would like to join, or to know more about recorder club should come to the hall in Break 1 on Friday.

Assemblies

Please note the change of time for the first Infants' Assembly for 2026. This assembly will be held on Thursday, 26th February, at 12:50pm.

The next Primary (Years 3 to 6) Assembly will be held on Thursday, 12th March, at 2:30pm in the school hall.

Student Representative Council Induction

A special assembly will be held for the newly elected SRC members from each class. These students will be inducted into the student leadership team and will participate in SRC meetings on a regular basis, as an avenue for student voice in their classroom and across the school. The Assembly will be held on Thursday, 5th March, from 10am, in the school hall. Parents are invited to attend, to pin badges on their child once they are inducted.

Zone Swimming Carnival

The Zone Swimming Carnival will be held at Scone Memorial Swimming Pool on Friday, 27th February, from 8:30-2:30pm. Students who are attending will have received a permission note. Registration is required by 25th February, through the DASH app, with instructions attached to the note. Transport is at the discretion of parents. Mrs Hartcher and another staff member will also be attending the carnival.

Principal for the Day

Xavier in Year 2 has the privilege of being the Principal for the Day on Friday, 6th March. Xavier was drawn out of a list of names at last Year's Term 4 Mari Badge Pizza Lunch. I can't wait for him to take over the reins and lead the school on this day.

5/6M FOR MAGNIFICENT!

In 5/6M, we have been working on our strength of teamwork in PBL lessons. It is a good strength to have in and out of the classroom.

It has been an awesome way to get to know each other at the start of the year and an opportunity to make some new friends!
