

# Term 3 Week 2 NEWSLETTER ~~~

Participate, Learn, Succeed

## Principal's Report

Welcome back to Term 3!

As we wrap up week 2, I want to take a moment to express how welcomed I have felt since joining Stroud Road Public School. It's been a joy to be part of this wonderful community, even if the weather hasn't always been on our side. We've made the most of the sunny moments, and I'm grateful for the warmth of the school spirit! Learning is in full swing, and our students are working hard to strengthen their skills in number and place value. We're also diving into our sentence writing, focusing on what it takes to create good, great, and legendary sentences. Our goal is to inspire all our students to strive to be legendary writers! Looking ahead, week 3 promises to be an exciting time at Stroud Road as we celebrate Education Week with a variety of engaging activities. On Monday, we'll kick things off with a Book Parade featuring our friends from Stratford PS. Parents are warmly invited to join us at 9:30 am to cheer on our students and admire their fantastic costumes! On Wednesday, we will host an Open Day, and I encourage parents to come along to observe our literacy and numeracy learning in action. There will be a cuppa and morning tea

environment.

To wrap up the week, our students will visit Stratford PS for a day filled with learning and participation in Aboriginal culture as we celebrate NAIDOC Week. It's a fantastic chance for our students to engage with and appreciate the rich history and culture of our First Nations peoples.

available, so it's a wonderful opportunity to connect with

other families and see our students in their learning

I'm looking forward to getting to know the families and the broader community of Stroud Road better as we support one another in growth and learning throughout Term 3.

Mrs Slaven
