Participate, Learn, Succeed

#### Principal's Report

Education Week was a fantastic celebration of our vibrant community spirit, showcasing the dedication to quality teaching and learning, as well as the invaluable engagement of our parents. It was heart-warming to see families, both new and familiar, come together over delicious scones and meaningful conversations, fostering connections that strengthen our school community.

We also celebrated NAIDOC Week at Stratford Public School, where our students participated in a range of engaging activities. From making Johnny cakes and playing traditional Aboriginal games to rock painting, learning about Aboriginal symbols and stories, and exploring music and storytelling, students experienced a rich cultural immersion. They even had the opportunity to work with clay, further enhancing their understanding of Aboriginal culture.

The Book Parade was another highlight, featuring a visit from Stratford Public School. Our students showcased their creativity with amazing costumes, and a special mention goes to Noah, who wowed us all with a stunning costume change, emerging from his cocoon as a beautiful butterfly!

We are thrilled to report over \$200 in sales for our recent fair—thank you to our wonderful families for your support!

This week, we also celebrated 100 Days of Kindergarten. Our young learners embraced the day with joy, even if our 100-year-old students moved a bit more slowly than usual!

A heartfelt thank you to our entire community. Our school thrives because of your unwavering support and involvement. Together, we continue to create a nurturing and enriching environment for our students.
