Principal's Report

Over the past four weeks, our school community has been buzzing with activity, fun, and meaningful learning experiences.

We had the pleasure of a visit from Mr Irwin, accompanied by Zoe and their adorable baby Jack. To celebrate Mr Irwin's exciting new role and to express our heartfelt thanks for all the dedication and hard work he has contributed to our school, we gathered together to share some delicious cake. It was such a lovely opportunity to come together, reflect on the positive impact he has made, and wish him every success as he embarks on this new chapter.

Our students participated in an enriching visit to Stroud PS for Life Education. These sessions are always a highlight, as they teach our children valuable lessons about how to make healthy choices. It's wonderful to see our students engaging with these important topics in such a hands-on and memorable way.

A extra special highlight was our Father's Day Breakfast. It was fantastic to see so many dads and grandfathers join us for a morning filled with good food and laughter. Guests enjoyed egg and bacon rolls made with fresh eggs kindly donated by the Hodges family, along with pancakes and lamingtons. The morning reached a peak of fun with the ultimate tug-o-war battle, which had everyone laughing and cheering as teams battled it out with great spirit. Finally, we are also incredibly proud of Hugo, who represented Stroud Road Public School at the Zone Athletics Carnival in Maitland. Congratulations, Hugo, on making us all proud!
