Principal's Report

Welcome back to Term 4!

Quick update on the playground construction: Although the project was temporarily on hold due to unforeseen circumstances, we are excited to announce that construction is now scheduled to begin on October 27th. Our students will be keeping an eye on the changes and will jointly construct an up-to-date record with supporting visuals that will be on display in the classroom. HPGE has started at Stroud Road, with our wonderful volunteer Livia supporting students every Tuesday in their visual art lessons. This week, the students completed self-portraits and absolutely loved the creative experience.

This week, we also had the exciting opportunity to participate in a Zoom conference with author Craig Silvey. He spoke about his book RUNT and the making of the movie. Craig answered questions from students all around Australia, including two questions from Stroud Road—a truly memorable experience!

Kindergarten 2026 continued their transition visits this week, accompanied by a parent information session. The students are doing exceptionally well and are clearly ready for their start in Kindergarten next year.

Next week, Bentley and Miss Smith will be heading to Canberra on the year 6 excursion with Stroud, Booral and Stratford Public School, and we can't wait to hear all about it. Be sure to keep an eye on our Facebook page for updates!

Looking ahead, we have many exciting events coming up including Grandparents Day, Parent Teacher Interviews, Presentation Day, and the Kindergarten Transition Graduation Ceremony.

Thank you for your ongoing support. Here's to a fantastic

High Potential and Gifted Education (HPGE)

Visual Arts at SRPS

Stroud Road Public School is excited to introduce a new HPGE initiative focused on fostering student voice and creativity. After consulting with students, it became clear they wanted more opportunities to explore visual art. In response, lunchtime groups are now offered to explore different art concepts, supported by our wonderful volunteer, Livia. Working alongside Mrs Slaven, Livia spends every Tuesday recess and lunch, helping students develop their creative skills. This week, students worked on selfportraits and absolutely loved the experience of being supported by Livia in this inspiring new program.

Kindergarten Transition

Our first two transition to Kindergarten sessions were a huge success! The students have moved smoothly and effortlessly into the kindergarten space, clearly showing they are ready for big school. They received their transition shirts as practice for wearing a uniform and have enjoyed exploring the classroom and playground while learning school expectations. The children participated in story time and showcased their talents through cutting, painting, dancing, singing, and, of course, sharing and learning alongside their peers. We can't wait for our final two sessions!

Author Talk

We have been reading the book 'RUNT' by Craig Silvey and on Tuesday we were lucky enough to be included in an online talk with the author. He even answered some questions that we had for him about the book.
