Principal's Report

We have so much to celebrate and share this month! Our new playground is all but finished, and the excitement around it is palpable. Even our 2026 kindergartners gave it a big thumbs up — they can't wait to start playing there next year!

Recently, Bentley accompanied by Miss Smith, had a fantastic educational trip to Canberra. They explored many important sites and gained a deeper understanding of how our voting system works — a truly memorable experience for them both.

We were also delighted to welcome Whizzy the Water Drop to our school. Whizzy taught us valuable lessons on how to be water wise, a message that is very important for our community and future.

In celebration of World Teacher's Day, we reflected on just how fortunate we are to have such dedicated educators inspiring and supporting our students every day. Their passion and commitment truly make our school a fantastic place to learn.

Our art lessons with Liv continued, where we dived into the wonderful world of watercolour painting. It's been incredible to see the creativity blossoming in our students. Finally, our second last kindergarten transition session was a huge success! Our little learners stayed for a play and recess, settling in beautifully and building their confidence as they prepare to join us in 2026. We are so excited to welcome them officially next year.

High Potential and Gifted Education (HPGE)

Visual Arts at SRPS

Building on the success of the self-portrait sessions, Stroud Road Public School's HPGE lunchtime art groups are now exploring the vibrant world of watercolour painting. With even more students joining this week, the enthusiasm and creativity within the group continue to grow. Under the guidance of our dedicated volunteer, Livia, and Mrs Slaven, students are experimenting with different techniques and colours, developing new skills while expressing their unique artistic voices. It's wonderful to see so many young artists embracing this opportunity to explore and create!

Kindergarten Transition

Transition continued this week and the students stayed on for recess and play, having an amazing time connecting with their new friends and enjoying the school environment even more. Their confidence and enthusiasm clearly shows they are more than ready for big school! We are all looking forward to our final transition session next week, which will be an exciting lead-up to their graduation. It's going to be a wonderful celebration of their journey as they prepare to join our Kindergarten community full-time!

Thank You!

A huge thank you to Lucy, our dedicated parent, talented photographer, and valued member of the P & C, who has gone above and beyond to capture stunning photos of our beautiful school. Her incredible work will play a vital role in showcasing our school as we prepare to upgrade our website. Lucy's strong community spirit and generous contribution mean so much to us, and we are truly grateful for her kindness and support. Thank you, Lucy, for helping us shine!
