

Stuarts Point PUBLIC SCHOOL

Term 3 – Week 4

11th August 2025

Last week was Public Education Week: 'Ignite Your Potential'. One of the most wonderful things about EDUCATION WEEK is just how much excitement and energy there is in the school. Such pride is felt by all staff as we make a positive difference in the lives of children and young people in our community. We launched Public Education Week with a special assembly and School Captaincy elections. We are always overwhelmed with pride as candidates deliver speeches. Their dedication and commitment to school is admirable and it always makes for a very difficult decision to be made by peers and staff. Congratulations to our 2025 School Captains: Nellie and Cooper, Vice Captains: Lilly D and Xavier. Congratulations to all candidates on their participation

The Stuarts Point Garden Club were amazed with our Wacky Wednesday Marimba performance on Wednesday. We would like to thank them for their generous donation towards our school swimming scheme later this term.

We were very excited to welcome our families through the school gates on Thursday morning for our BBQ breakfast and a chat. We followed this with families joining our morning skipping routines and showcasing our English learning for Open Day. Students and parents, alike, had a ball with the hands-on activities.

We finished off our Public Education Week celebrations with our open sport and Peer Support sessions. It was great to see some parents and grandparents come along and join in.

We look forward to the first session of the "Get Hooked" Fishing Program on Wednesday. Students will learn how to tie knots, cast, along with safety and sustainable environmental practices. The second session will be held later in the year where students will get to put their learning into practice with a fishing adventure!

Kindergarten enrolments for 2026 are now open. Thank you to the parents who have returned enrolment forms. Please phone the office for an enrolment package if you are yet to do so.

Book Week is fast approaching. This year's theme is 'Book an Adventure', so it is time to get your creative thinking caps on and start making your favourite book character costume. It is always exciting to see the students dressed up.

FISH Philosophy Tuned Up Please take the time to have a conversation at home about our weekly focus.

Week 4 Staying in the in bounds area

Week 5 Taking it out fairly in games

Thanks for your continued support. *Trudy Miles*

Year 6 students looked Strong and Smart as they were presented with a special gift from school and P&C. They felt like super-stars with their new school shirts. Unfortunately, due to the weekend storm and continued power outages we had many of our students away and they received their shirts later in the week.

Students looked great in full uniform as they posed for Zeny to have their School Photos taken last Tuesday. These will be returned to school next term. Any parents wishing to update their orders please contact Zeny rather than the school (6568 7766).

Sadly, the Macleay Public Schools Music Festival was postponed due to the recent severe weather. Event organisers are working towards rescheduling the show at a later date. So keep an eye out for the new date to go along and see the array of talent from all our local public education schools.

DO YOU HAVE A CHILD STARTING KINDERGARTEN IN 2026?

Here at Stuarts Point Public School we have already begun working with local families and preschools with 2026 enrolments. We have found this early approach helps to create a seamless, stress-free transition into primary school life. If you would like to find out more please call us on 02 6569 0627.

ORIENTATION

School Garden

Students in 2/3/4 and members of the school Youth Environment Council (YEC) have been gradually re-establishing our school gardens.

We have built multiple new garden beds, filled them with soil and planted herbs and vegetables.

Produce from this garden will be used for our 'Kids in the Kitchen' program which occurs every Monday with Miss Sally.

Thanks to a donation from Kempsey Shire Council for National Tree Day, we have planted snow peas, mint, celery, silverbeet, beans, lettuce, tomatoes and basil. If any of our families would like to donate seedlings or seeds to help us, please take to the office.

SUNDAY

17TH OF AUGUST

8:00AM - 1:30PM
