

Stuarts Point PUBLIC SCHOOL

Term 3 – Week 8

8th September 2025

thank these often unsung heroes in our schools. You are amazing!

*"The more you read
the more things you know.
The more that you learn
the more places you'll go."
-Dr. Seuss*

evaluate where each and every student is and then use this to inform the next powerful teaching moments. To support literacy development, each child received a book to enjoy. We hope that the words and wisdom of Dr Seuss resonate with our families and school community.

Wednesday 3rd September was Indigenous Literacy Day. This an annual celebration of Aboriginal and Torres Strait Islander Peoples' Stories, Cultures, and Languages. Classes joined in the presentation from the Sydney Opera House.

Don't forget the Spring into Art Exhibition at Gladstone Art Gallery is open. Some of our wonderful creative students have artworks that are being exhibited over the next few weeks. Congratulations also to Miss Sally who received an Excellence in Student Support award on the opening night.

However she was unable to accept her award in person on the night. All community members are welcome to visit the gallery to view the great talents in our school and the great work of other students in our community.

Last week was SASS Recognition week, we celebrated the theme "Delivering Excellence in Schools". Our school administrative and support staff play a vital role in supporting our students and we would like to acknowledge and

Literacy and Numeracy Week coincided with Years 3-6 participating in the Check-in assessments. As a school we take advantage of these external assessments to

Our School Swimming Scheme will run Monday to Friday in Weeks 9 / 10. Please refer to the details in the recent permission slip. This program is being run at minimal cost to families as it has been heavily subsidised with some very generous community donations. Each child should bring a bag packed with their swimming costume, towel, sun shirt, hat, sunscreen and warm clothing on a cool day. We will be having varied lunch and recess times during this period. Lunch will be at 11.15am and recess when we return at approximately 2pm. This is a whole school program and there will be no supervision at school during this time.

If your child has a health care plan or if there are any changes to your child's medical condition, please notify the school and your child's teacher as soon as possible. It's important that we have the correct information in order to provide the best possible care for the children. All students who have Asthma and Anaphylaxis require a Health Care Plan formulated from a medical practitioner.

A wonderful way to welcome Spring-time to the calendar is to celebrate Fruit and Vegetable month in September! We are encouraging students to fill their lunchboxes with loads of healthy meals and snacks packed full of vegetables and fruits. Well done to the families who consistently support this.

There is a really helpful document that we have sent with this newsletter. It is about the change to Social Media age restrictions that are coming up in a few months. This will mean a huge change for many of our young people and we need to get them ready. The document has many great ideas and lots of helpful advice to support everyone through the upcoming changes. Please read...

FISH Philosophy Tuned Up Please take the time to have a conversation at home about our weekly focus.

Week 8 Talk firmly (High Five) - I can use an assertive voice to say stop

Week 9 Report (High Five) - go and tell a teacher

Thanks for your continued support. *Trudy Miles*

DO YOU HAVE A CHILD STARTING KINDERGARTEN IN 2026?

Here at Stuarts Point Public School we have already begun working with local families and preschools for 2026 enrolments. We have found this early approach helps to create a seamless, stress-free transition into primary school life. If you would like to find out more please call us on 02 6569 0627.

K/1 CLASS NEWS

TERM 3

Indigenous Literacy Foundation proudly presents

Indigenous Literacy Day

In Week 7, K/1 joined an adventure through 3 remote Aboriginal Communities to learn about the diverse ways storytelling makes their Communities strong.

KEY LEARNING AREA HIGHLIGHTS

PDHPE

We have been learning about friendships, safety and Child Protection strategies.

Reading

Book Week was a great opportunity to share our favourite books and dress up! Every Thursday K/1 go the library - don't forget your library bag.

Math

This term we have been using concrete materials to explore and extend our knowledge of number and problem-solving.

Home Play

- Home Play is an important part of reinforcing learning. Please remember to bring it each day.
