Message from our Principal...

The past few weeks have been filled with rich learning experiences, creative opportunities, and moments of connection both in and beyond the classroom.

Thank you to everyone for their flexibility around the change of date for the athletics carnival. Despite the cooler weather, the day came together nicely, with students demonstrating fantastic sportsmanship.

This week, Tallimba Public School created a banner in support of *Walk N Talk with a Farmer* – a fundraiser involving a group walking from Walla Walla to Tallimba, beginning this Friday the 4th of July. The initiative aims to raise money and awareness for mental health among farmers and rural communities. The school wishes the team all the best for their journey.

Student reports have gone home this week. If you'd like to discuss your child's progress, please feel free to call in or make an appointment with your child's teacher.

School returns for Term 3 on Monday the 21st of July for staff and Tuesday the 22nd for students.

I wish everyone a safe, relaxing, and well-deserved holiday break.

Ms Sarah Bell
Principal

School Photos

Wednesday, 23 July 2025

(Term 3, Week 1)

Please ensure your child comes dressed in their best school uniform, looking smart for school photos.

School uniform requirements for photos are:

- Black pants/shorts/skort
- School polo shirt
- School jumper
- Black socks
- Black shoes

A reminder that school photo envelopes need to be returned to school by Tuesday, 22 July 2025.

Week 10 - Hannah Quade

LIFELONG LEARNING IN ACTION

At Tallimba Public School, staff are committed to professional growth and ongoing learning.

Mrs Tyack recently visited Barellan Central School to hear from Carl Hendrick, a leading educator from the University Academics in the Netherlands and co-author of *How Learning Happens*. His session focused on how research can support and improve classroom practice.

Mrs Quade is currently attending part one of *The Art of Leadership*, a practical and research based course designed to build strong leadership through real world experience.

Ms Imrie has been completing online training to lead the school's transition from Sentral to School Bytes, helping to streamline communication and school operations.

I've taken part in two professional learning days focused on transition to school and am now starting to plan the 2025 Kindergarten Orientation Program.

As educators grow and develop, so too does the learning environment created for students. These experiences support excellence in teaching and learning, leading to meaningful outcomes for both staff and students across the school.
