Message from our Principal...

It was wonderful to see past and present students, families, staff and community members come together over the long weekend to celebrate the milestone of our Centenary. It was a day and night to remember for years to come. Due to popular demand, we're placing a second order for beanies. See the attached flyer for details.

The school is getting ready to launch School Bytes, which is a new platform for notes, payments, and communication. Families have time to learn about the changes, with the system coming into full use early next term. Staff are working on this in the background and this platform will be used to publish semester one reports which will be sent out in Week 10 of this term.

This week at Tallimba Public School included a visit from Quiz Worx, a performance featuring puppetry and music that shared a Christian message. Today, the school held a Careers Day, where visitors shared insights into a variety of professions. We were fortunate to hear from a photographer, vet, real estate agent, hairdresser, and town mayor. Next month, we look forward to welcoming a police officer to continue the conversation about future career pathways.

After reaching 1500 Dojo points, students will celebrate with a well-earned PBL Pyjama and Movie Day this Friday.

Looking ahead to next week, students will travel to West Wyalong on Tuesday for the Athletics Carnival, then take part in a cooking and art excursion on Friday. Feel free to contact the school at any stage for further information.

GARDENING & COOKING

Students are enjoying our garden, which is thriving with some tasty produce. They garden with Nel's help and harvest their produce for cooking. Corn and vegetable fritters were a big hit.

SPORT

During sport this term, the students have played T-ball, focusing on teamwork, striking the ball and the rules. They have also been doing athletics in preparation for next Tuesday.

STEM CHALLENGE

One of our STEM challenges this term was to design and build a ship. It had to include a mast with a flag, space to hold 5 coins and of course be able to float!

WAGGA WAGGA EXCURSION

Students had a fabulous time on our Wagga Wagga excursion. We visited the town library, which is huge. We saw the archive room and how they store copies of the local newspaper. The zoo was fun, we enjoyed the playground and animals. Ratburger at the Civic Theatre was fantastic. It was enjoyed by all and it was great to get to watch a live show. The Art Gallery gave us a special tour. We liked the sculptures and seeing all the different types of artworks.
