Week 10

Tuesday, 23 September

- End of Term 3 assembly

Wednesday, 24 September

- Kindergarten Orientation
9 am - 11 am

Message from our Principal...

Last Wednesday, locals enjoyed visiting the West Wyalong Show. It was wonderful to see our students showcase their talents and dedication with a variety of entries, many of which were recognised with prizes.

This week began with a visit to the hall for Morning Melodies, where students performed Tiddalick the Play. The event was enjoyed by all involved, and students are already looking forward to planning something again for November.

As part of R U OK? Day this week, everyone is encouraged to take the time to check in with each other and promote positive mental health. This is a valuable opportunity to reflect on the importance of kindness and support in our daily lives.

Tomorrow, students will enjoy an excursion to West Wyalong. It promises to be an engaging and enjoyable experience, providing further opportunities for learning and connection outside of the classroom.

To celebrate the term's achievements with all students and families, please save the date for the end of term assembly on Tuesday the 23rd of September.

We would like to acknowledge the Wiradjuri People, Traditional Custodians of the land on which we gather and pay our respects to their Elder's past, present and emerging.

PBL Stars of the Fortnight

Week 7 - Oliver Reid

Week 8 - Hannah Quade

SHOUT-OUTS

Oliver gave a shout out to **Miss Lord** for coming back to help us at our school.

Hannah gave a shout out to **Miss Imrie** for doing the newsletter each week and to **Mark** for fixing things that are broken and looking after our grounds.

Miss Riley gave a shout out to **Anita** for finding her drink bottle in the playground and returning it.

HATS, HATS, HATS

As the weather starts to warm up, we are reminding students that they need to be wearing a hat in the playground.

Please remember to bring your wide-brimmed hat to school everyday.

SAVE THE DATE

End of Term 3 Assembly
Tuesday, 23 September
in the Library

TPS ORIENTATION

Kindergarten Orientation is underway at Tallimba Public School, with our future students eagerly taking part in activities. These sessions help our team learn about each child's strengths and interests. Lachy, Thor, and Sienna are becoming familiar with school routines and are being well supported by their peers. The program is centred on play-based learning that nurtures curiosity and fosters a sense of belonging.

Spring
IS IN THE AIR

Jenn Marlow WHIN co-ordinator

Hello to all in the Community. After what seems like a long, chilly winter, the weather is starting to turn, and the sun is shining.

Spring brings seasonal allergies for many children and young people. The most common allergy is hay fever, affecting 1 in 10 teenagers and 1 in 20 young people in Australia. Hay fever or allergic rhinitis can occur all year, but it can worsen in spring and summer.

Identifying allergies can be hard, especially when symptoms are similar to a cold. If your child develops cold like symptoms at the same time every year, seasonal allergies may be the cause. For some children, allergies can also trigger asthma symptoms.

If you think your child has allergies, including hay fever, speak to your local doctor. Your child may need a skin prick test or a blood test to diagnose their allergy correctly.

Be wary of unproven allergy tests including cytotoxic food testing, kinesiology, electrodermal testing, pulse testing, reflexology and hair analysis. These may result in misdiagnosis and incorrect treatment.

If your child suffers from seasonal allergies try reducing exposure:

- keep windows closed to stop allergens from coming in the home
- stay indoors where possible, when pollen count is high
- regularly wash hands, and shower and change your child's clothes after outdoor play.
