Message from our Principal...

Last Friday was World Teachers' Day. This was an opportunity to recognise the dedication and care that teachers demonstrate daily. Thank you to everyone who shared kind gestures. Teaching at Tallimba Public School is incredibly rewarding, with such a supportive community and wonderful students.

This week, small schools in our area joined for a three day excursion to Swan Hill. Primary students are travelling back today, and we are looking forward to hearing about their experience. Thank you to Weethalle Public School for coordinating the trip, and to Miss Lord, who attended and supported the students with enthusiasm.

On Monday of next week, students will visit the hall for *Mornings, Melodies and Memories* with their glockenspiels. They will perform for the audience and involve them by teaching some of the tunes. Then on Tuesday, students will visit Waratah Village in West Wyalong to connect with residents and share performances. This will be followed by a Remembrance Day service at the S&C Club.

Now is a great time for students who will be starting Kindergarten next year to have a general health check up. If they haven't had their eyes and ears tested yet, they can do so with the help of Jenn Marlow, the Wellbeing and Health in Reach Nurse. Please contact the school if you would like more information.

Term 4 attendance is currently strong, showing great consistency, and we hope to maintain this momentum for the rest of the year.

Week 3 - Maison Turnbull

SHOUT-OUTS

Maison gave a shout out to **Anita** for being fun and resilient.

Isla gave a shout out to **Miss Lord** for helping with the primary excursion.

Week 4 - Isla Petrie

Congratulations to Hannah who received a certificate of participation at the recent Rankins Springs Round Robin. Hannah was awarded for demonstrating exceptional sportsmanship throughout the day.

WELL DONE!

IN THE CLASSROOM WITH MRS REID

We have been working hard on our multiplication and times tables, making learning fun with games, quick fire challenges and lots more. Teleah, Isla and Anita are building confidence and speed with their multiplication facts. Mastering times tables helps us solve bigger maths problems more easily.

Hannah, Ollie and Maison have been working on their reading goals from improving fluency and expression to, pausing at full stops and question marks. What amazing little readers we have!

Child Dental Benefits Schedule (CDBS)

'All children should have a dental check-up by the time their first tooth appears or by their first birthday and be regularly seen by a dentist from that age onwards.' (Australian Dental Association)

Who is eligible?

You don't need to apply or register for the CDBS. If your child is eligible, you will automatically receive a letter in the post or through myGov to let you know. Eligibility is assessed annually and is valid for that calendar year.

To access the CDBS, your child must be all of the following:

- ✓ 0-17 years old for at least one day that calendar year
- ✓ Eligible for Medicare at the time of service
- ✓ Receive an eligible payment from Services Australia at least once a year, or have a parent, carer, guardian who receives an eligible payment from Services Australia at least once a year

Check if your child is eligible

- ✓ You can check to see if your child is eligible for the CDBS this year by:
- ✓ checking your **Medicare online account** through MyGov at my.gov.au, select 'History and statements,' then 'Child Dental Benefits Schedule'
- ✓ calling **Medicare on 132 011**

Find out more about the eligibility criteria at servicesaustralia.gov.au/childdental

What is covered?

Eligible children can access a capped amount of services over 2 calendar years.

The services covered include:

- ✓ dental check-ups
- ✓ cleaning
- ✓ x-rays
- ✓ fissure sealing
- ✓ fillings
- ✓ root canals
- ✓ extractions

At your appointment check what each service will cost and if the CDBS covers the full cost of those services.

The CDBS does not cover:

- ✗ orthodontics
- ✗ cosmetic dental work
- ✗ any dental services in a hospital

Finding a provider

You can use the CDBS for services at most dental clinics, including public dental clinics and private dental practices.

When you book an appointment:

- ✓ let your dental provider know that you want to use the CDBS; and
- ✓ ask how much funding you have available under your CDBS cap.

Finding a provider that bulk bills

You can ask your dental provider if they bulk bill under the CDBS. To search for a dental provider, use the 'find a health service' tool on the healthdirect website at: healthdirect.gov.au/australian-health-services

Public or private?

A public provider using the CDBS will bulk bill you and there will be no out-of-pocket expenses.

Some private dentists bulk bill CDBS services. Where private providers do not bulk bill, you may need to pay a gap fee for services.

For more information on the CDBS

Visit servicesaustralia.gov.au/childdental

Call **Services Australia on 132 011**

Ask your dental provider about the CDBS
