

Our school is using School Bytes which offers a simplified digital system for school payments and parent/carer communication. How does School Bytes work?

- The students **Statement of Account** and **payment reminders** will be sent directly to parents/caregivers via email.
- Emails will be sent to you from noreply@mail.schoolbytes.education.
- The student's **Statement of Account** email will include the **make a payment** button that will take you to the school's online payment portal.
- If the activity involves a cost, the **make a payment** button will allow you to pay securely, quickly and easily via credit or debit card after granting permission (Visa and Mastercard only).
- Online forms including permission notes, will be sent to you directly via School Bytes with a link enclosed. Select the link to open the secure online form.
- The online form will have information about the activity with a section for a digital signature (either with a mouse or your finger) prior to submitting.
- The **make a payment** button will allow you to pay securely, quickly and easily via credit or debit card (Visa and Mastercard only).

Please note: Transactions made through the online payment portal will appear on your bank statement as OSCHOOLSONLINE 0000 PARRAMATTA AU.
