I hope everyone had a wonderful break from school routines. We are back to a busy Term 4.

We are all looking forward to the Small School Sports Day next week. We have been practising our athletics skills so we are ready to have a go. It is a great community event which has been running in various formats since at least 1895. The current organisation, the Taralga and District Combined Schools Athletics Association has been running since 1935!

Homework will start again next week. Home reading has already started but not everyone has returned their reader bags. Please return folders and bags by Friday to be ready for next week. It is a great way to practise and improve your reading.
