## K-1-2-3-4-5—Currobung Classroom

Thank you to everyone that assisted at the Small Schools Sports Day to make it a success. We have had many compliments from the other schools about how great the day was and how much the students enjoyed it.

Students enjoyed the visit from Crookwell Library. We read an interesting book about birds and their habits called "What's inside a bird's nest" Students made a seed ball to grow some flowers.

Recently I have been assessing junior students to benchmark their reading levels. They are all making good progress and are reading at higher levels. Well done!

Please return your homework and reader bags on Friday so they are ready for Monday when we organise our homework for the week. Reading at home is one of the best ways to further improve your reading.

It was a cold day for School Photos!
