2025: Term 4, Week 3

Principal's Report

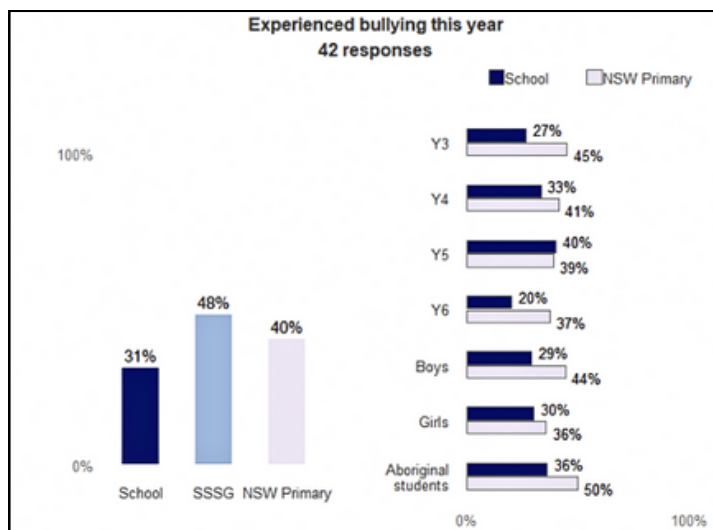

On Friday we celebrate **World Teachers' Day** in NSW schools. I would like to acknowledge our dedicated teachers who go above and beyond to create learning environments that enable students to be healthy, happy, engaged and successful.

Please 'add a gem' to acknowledge your favourite teacher - the instructions are on page 2.

NSW Public Schools Survey

Bullying at school has been in the media recently. The NSW Public Schools Survey asked students if they have 'experienced bullying at school this year'. It explains bullying as 'an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause harm. It can occur face-to-face, online, or on social media'.

The NSW Public Schools Survey results show that a lower percentage of our students have experienced bullying at school this year than students in Statistically Similar Schools Group (SSSG) and all NSW Primary Schools as shown below.

Pleasingly, our students also had a higher percentage of students that know where to get support when bullied, and a higher percentage that believe that the school deals fairly with bullying.

Kindergarten 2026 Transition Sessions

A Parent Information session will be held this Friday, 31st October 2025, from 10:30am to 11:40am. This session will provide important information for parents to help their child prepare for school in 2026.

If you know someone who lives in our zoned area and will be starting Kindergarten in 2026, please encourage them to visit or contact our school office on 6552 1233 to complete the enrolment paperwork.

ACMF Rotary Benefit Concert

The Australian Children's Music Foundation (ACMF) provide music lessons to all of our students every Wednesday. We are really fortunate to have Matt Zarb come in and teach the students. His enthusiasm and positivity motivates our students to step out of their comfort zone and inspires them to have a love of music.

A benefit concert is being held at the Manning Entertainment Centre on Thursday 27th November starting at 6.30pm. Our students have been invited to perform the 'Biripi' song that the students have co-written with Matt. Some students will sing or play instruments, all others have been invited to dance. Please note that you will need to transport your child to and from the event and you will need to collect your child at the end of their performance.

A flyer is attached.
