Welcome to Week 9,

Lake Ainsworth

Year 5 and 6 are getting excited about the Lake Ainsworth camp. Families that are car pooling should meet at the Kyogle Information Centre at 8:30am on Monday 31 March. If you are driving your child only, please meet at Lake Ainsworth by 10:30am. The school has organised a bus to transport students back to Kyogle and then The Risk PS on Friday. If you are collecting your child from the Information Centre, please arrive early, as the bus will continue on to the school for the usual school run.

Red Cross Visit

Last week, students and staff had the opportunity to learn valuable life-saving skills as the Red Cross paid a special visit to our school. The event was part of an ongoing initiative to promote safety awareness and the importance of community service.

During the visit, Red Cross representatives conducted interactive sessions covering essential topics such as disaster preparedness. Students eagerly participated in demonstrations and hands-on activities, gaining practical knowledge that could make a difference in emergencies.

The visit left a lasting impression on the students and staff who attended, reminding us of all that knowledge and preparedness can save lives. The Risk PS extends its gratitude to the Red Cross for their time and dedication in educating our students. It was wonderful to be a part of celebrating the Red Cross's 10th anniversary.

Wishing you a wonderful fortnight ahead,
Lisa Blackburn - Principal

Mobile Phone Management Plan

Last year, the Department of Education rolled out a new mobile phone policy for all schools in NSW. This initiative aims to enhance classroom focus and minimise distractions.

Students must submit any devices they bring to school at the office. Mobile phones are prohibited during school hours. Rest assured, you can always reach your child in case of an emergency; simply call the school to get in touch.

If your child brings a device to school, please discuss the policy with them and highlight the advantages of handing it over to the office each day.

If you have any questions, feel free to contact the school directly at 66 366 127.
