Welcome to Week 10,

Collins Creek, The Risk, and Wiangaree Athletics Carnival

Last Friday was a perfect winter day for our athletics carnival. We extend our gratitude to the families who came out to support The Risk students. A special thank you to the amazing P&C for managing the canteen; as always, the food was fantastic, and everyone loved the baked treats.

The dedication of our students truly paid off, as The Risk PS won the PP6 relay and was awarded the trophy for percentage points.

The Kyogle District Athletics Carnival is on Tuesday 29 July at the Kyogle High School oval. If your child has advanced to the district carnival they will have a permission note attached to the newsletter and permission for you to grant in the Sentral app.

All other students will attend school for a normal school day.

NAIDOC Day

Staff and students had a great day at Collins Creek to celebrate NAIDOC Day. We are thankful for the elders that joined us, Uncle Wayne, Uncle Keith and Kye. The Casino Public dance groups educated and entertained us with their performances. Thank you to Collins Creek staff for organising the day and providing a sausage sizzle for lunch.

Wishing you a wonderful holiday break and see you all on Tuesday 22 July for the first day of Term 3!

Attendance Rewards Lunch

Congratulations to students that achieved 85% or above attendance this term. Thirteen students achieved this goal and one student recorded an attendance rate of 100%. We are hoping we have an increase next term and families support their children to attend school regularly. Everyday counts at school, each day missed is a day your child needs to catch up on learning, school events and friendships.

We understand when children are sick. Families must contact the school or respond to the automated message with a valid reason for the school to record.

Dental Van Visit

The Northern NSW Local Health District Primary School Mobile Dental Program will be here Week 4 Term 3. Please return your consent forms by tomorrow. Only students who have returned their consent form will be seen.

Athletics Carnival

On Friday it was the athletics carnival. The first race I was in was the 800m and I came second. I made it onto the District carnival for 800m. The next race was 200m and I came second again. I felt tired after the races.

Then I went in shot putt, it was heavy. I came third. The next activity was long jump and I came forth. After the long jump we did discus. I came forth and I think my hand was too small. Next was high jump and I came forth again. I landed on the bar and it hurt my back.

We ran our age race, 100m next. It was Maci and I in the race and I came first. The last event was the relay. Syllis, Breanna, Mia and I were in the relay and we came first. By the end of the day I was really hot and tired.

NAIDOC Day

Yesterday we went to on the bus to Collins Creek PS. I learnt how to make fire, it was hard but fun. Then we had lunch and we had hot dogs for lunch. It was a fund day.
