Welcome to Week 10

Attendance Rewards Lunch – Well Done!

Congratulations to the many students who have improved their attendance this term! We're thrilled to see such a positive shift, with a significant increase in students qualifying for our Attendance Rewards Lunch.

Today, 19 students were invited to celebrate their efforts and enjoyed a delicious treat of hot chips with gravy. A special shout-out goes to Max, Oscar, and Toby, who achieved a perfect 100% attendance this term. These students received an extra special reward in recognition of their outstanding commitment.

We're incredibly proud of everyone's efforts and hope to see the whole school qualifying for the rewards party next term.

Remember: Every day counts. Attendance matters!

Looking Ahead to Term 4

As Term 3 wraps up, we'd like to wish all our students and families a restful and relaxing break. A reminder that students return to school on **Tuesday, 14 October**.

We're looking forward to a fun and busy Term 4, with exciting events including, swimming lessons, transition days for year 6 and Kindergarten students and our much-loved annual school concert

Thank you for your continued support. We can't wait to see everyone back, ready for a great term ahead.

Wishing you all a wonderful fortnight,

Lisa Blackburn

Principal

Tuesday 21 October	P&C Meeting 4:15pm
Tuesday 21 September	Paralympian Visit
Friday 24 October	Kindergarten Orientation Day
Friday 31 October	Kindergarten Orientation Day
Friday 7 November	Kindergarten Orientation Day
Mon 10 - Fri 14 November	Swimming

STUDENTS OF THE FORTNIGHT!

PBL - Bus Travel

Infant Class: Adam for doubling his attendance this term, congratulations.

Primary Class: Lani for his commitment to Literacy and Numeracy.

Supporting Safe and Respectful Bus Travel

We are continuing to address behaviour challenges on the Murphy's bus to town, and today marked an important step forward. Our school joined with Wiangaree Public School and bus driver Ray to deliver a special bus travel lesson, focusing on the importance of safe and respectful behaviour while travelling to and from school.

As part of this session, students were guided through the Code of Conduct for Safe Bus Travel, including a clear explanation of the expectations and consequences for inappropriate behaviour. Our goal is to ensure every student feels safe and supported during their journey.

We kindly ask that families continue this conversation at home. Some important topics to discuss with your child include:

- Staying seated at all times
- Wearing a seatbelt correctly
- Speaking in a calm, quiet voice
- Ignoring distracting or silly behaviour

If you have concerns about your child's safety on the bus, please contact the bus company or the school directly. We remind families that adults should not approach children to address behavioural concerns.

Thank you for your ongoing support as we work together to promote safe and respectful bus travel for all students.

Transition to School Bytes

Please remember to download the School Bytes app, thank you to those who have. The School Bytes system has replaced Sentral, and has started sending out permissions, non-attendance notices, and messages to parents.

School Bytes

together we learn

Lord Taverner's Sport Camp

On Friday, Bentley, Kaliber, Rachel and Noam attended the Lord Taverner's Sport Camp at Corndale PS. Thanks to Carrissa for transporting them to the camp. The first day, we checked our names off and then we were all put into different groups to make new friends. We rotated between Basketball, Tennis, Soccer, throwing and catching and Golf. We had 40 minute coaching sessions, then went up to have a break. There was fruit, cookies, cupcakes and chips. The we had a play with each other and then went back to the last session. The North Coast Academy arrived, all the kids went down to the field and were split up into 2 groups. The 1st group did a chuck test and a L shape run test. The 2nd group did a flexibility and jump test. After that we had to do a 20metre dash. Everbody ran as fast as they could. Then we had lunch, it was burgers, Yum! Later we did a contest, someone was a model, another an explainer and another person was the maker. We had to make clothes out of newspaper. The kids liked it. For dinner we had butter chicken. After dinner we had a trivia game and went to bed. The next day was games day. We had so much fun. By Kaliber

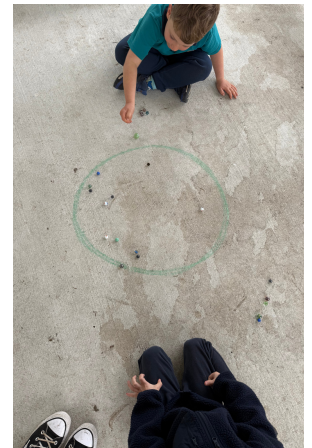

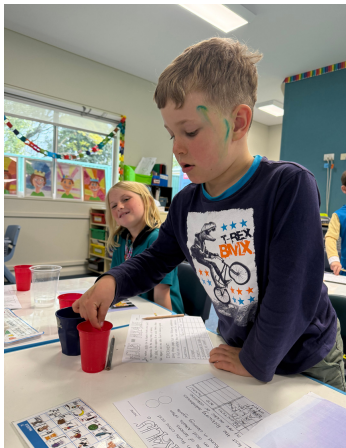

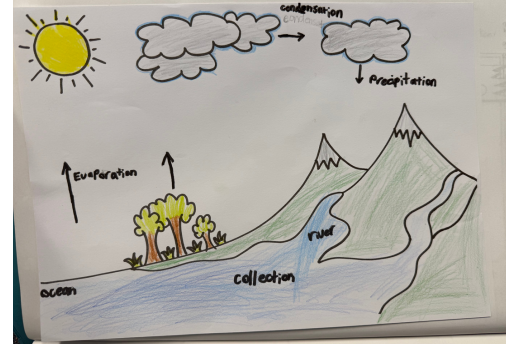

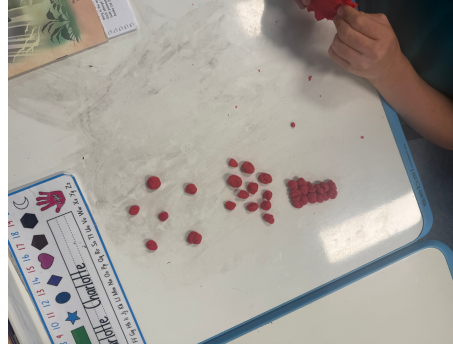

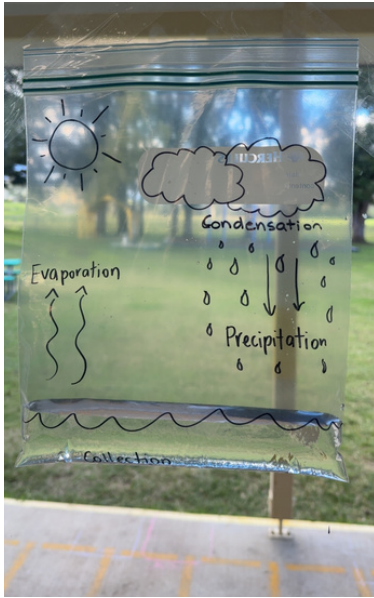

Eggs For Sale

The Green family have an abundance of eggs and are selling them for \$6 a dozen. To place an order, please contact Carrissa on 0459 502 271.

Junior Room

Over the past few weeks, we've been busy being both scientists and historians! In Science, we tested the acidity of different liquids, watched detergent chase around the fat molecules in milk, and even made our own emulsions, mayonnaise and salad dressing! In History, we have been exploring the story of our school and played some of the fun games children used to play in the past, such as marbles and elastics. Last week, we got to try out different lunches children have eaten throughout history using the emulsions we made in science. It's been a fun few weeks full of investigations, discoveries, and learning! - Ms Kirralee Piggot
